A Bride is Never Nervous at the Altar. The humorous and unusual experiences in the life of a metropolitan clergyman are told by the Rev. David M. Steele, of New York City, who has just written about "Some People I Have Married," for the Ladies' Home Journal. Mr. Steele declares that the prospective bride is always nervous until the time for marriage ceremony, when she is calm and collected. The groom is exactly the reverse: always cool until he comes to face the bride, when his nerves invariably give way.

J. L. Decker, son of J. M. Decker, of near Centre Hall, was a caller at this office on a pleasant mission, that of ordering the Reporter for his brother, Frank W. Decker. Thus subscriptions come, by fathers, by brother, by mail and telephone.

Gained Thirty-three Acres a Minute.

In the 117 years since the war of the revolution ended—1783—the United States have expanded at the rate of thirty-three acres a minute; at least that is what a certain man professes to have figured out.

The original thirteen colonies comprised 558,679,360 acres. The Louisiana Purchase brought us 745,103,890 acres; the Florida cession, 45,719,680 acres; the annexation of Texas, 170,249,040 acres; the Mexican cession, 460,562,340 acres; the purchase of Alaska, 383,646,720 acres; the acquisition of Porto Rico, Tutulla, the Philippines, Guam and Hawaii, 98,492,160 acres.

Now, according to this ingenious figure, there have been in the 117 years 61,495,200 minutes, and dividing the number of acres acquired by the number of minutes, we have a fraction more than thirty-three a minute.

At the same time our population has grown from 3,000,000 to a little more than 84,000,000, which is an increase of one and one-third a minute.

The western part of Pennsylvania suffered considerably from floods caused by the heavy rains of Friday and Saturday.

THE HOME GOLD CURE.

An Ingenious Treatment by Which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No weakening of the nerves; a pleasant and positive cure for the liquor habit. It is now generally known and understood that Drunkenness is a disease and not a weakness. A body filled with poison, and nerves completely shattered by peridical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants.

Wives cure your husbands!! Children cure your fathers!! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it.

It acted like magic and I began to improve at once. I am now entirely well and feel very pleased to acknowledge its merits." Sold by Mrs. J. W. Keller, Linden Hall; J. F. Smith, Centre Hall.
