Spring Mills.

Sam Dock's show was poorly attended on account of the rainy weather.

Frank Maize, one of the firm of J. B. Maize Sons, of Lemont, who are doing an extensive business in tomb stones and monuments, was in town Monday setting up some work in the different cemeteries.

How are we to destroy and remove the pest of caterpillars with which we are cursed with at present?—that is the question. They are here in myriads like the plague of Egypt. Our apple and peach trees are literally enveloped in their gazy habitations, and unless we have a remedy for their destruction, and that too without any further delay, fruit in this valley will be removed from the small end of the cornucopia—if at all. The only remedy suggested so far is to burn them with coal oil or remove the nests. The former damages the trees, while the latter is an unsatisfactory and slow process. Is there no drug or exterminator to destroy the pests and yet do no damage to the trees?

The chicken pox, which has been quite prevalent here among our little folks for several weeks, appears to be on the wane. Of course the disorder never assumes a very violent form.

Ambrose Gentzel has the foundation walls for his new residence, located in the Avenue, about finished. Carpenters will commence operations on the wood work in a day or two.

Last week John F. Heckman, one of our venerable fishermen, caught a trout measuring sixteen inches in length in Penn's Creek at the mill dam. This was quite a prize, as trout are very rarely caught in that locality.

Edwin Ruhl, the popular village landlord, has been indisposed for several days and unable to attend to business. The duties of the hotel devolved upon his brother, Will, a young man of considerable executive ability. The register of the hotel proves that Mr. Ruhl is doing quite a large business.

Children's Day in the M. E. church of our village is set for the 14th prox. The committee of arrangements are making unusual exertions to make these services the par-excellence of any previous efforts. The organ will be in charge of that highly accomplished artist, Miss Ida Condo, which of course assures music of a very high order. The program will consist of singing, recitations, dialogues, addresses, etc.

The committee having charge of the services for Memorial Day are using every effort to make the occasion impressive and of a highly interesting character. The Spring Mills Castle K. G. E. will assist the Millheim Castle in decorating their honored dead, after which they will return with the Spring Mills Sir Knights and participate in the exercises here. The parade promises to be quite imposing and will form on the "hill," opposite the establishment of C. P. Long, at 5 p. m. Quite a large number of citizens have signified their intention of being in line. The assemblage will be addressed by Dr. D. M. Wolf, Victor Royer and others. All places of business will be closed from 5 o'clock until 7 p. m.

John Smith & Bro. have the foundation walls for their new store and ware rooms well advanced. The building will be pushed forward as rapidly as possible. The firm expect to occupy it by July 15th.

The potato bug appears Phoenix like

to be rising from its own ashes. On reaching the surface it is as lively as ever and seems to be ready to attack its favorite plant with all its old time vigor. Between the potato bug and caterpillar we are having a "jolly" time—it's almost like being placed between the devil and the big blue sea.

James A. Kooney and wife, of Glen Iron, are at present visiting at the home of their son, J. E. Kooney, at this place.

Quarterly conference was held in the U. Ev. church of this place last Sunday, conducted by Rev. Reamer, P. E., of Lewisburg.

The band expects to participate in the exercises at Millheim this Thursday, afternoon. In consequence thereof they practiced every evening this week.

It Makes Restful Sleep.

Sleeplessness almost invariably accompanies constipation and its manifold attendant evils—nervous disorders, indigestion, headache, loss of appetite, etc. To attempt to induce sleep by opiates is a serious mistake, for the brain is only numbed and the body suffers. Celery King removes the cause of wakefulness by its soothing effect on the nerves and on the stomach and bowels.

Celery King cures Constipation and Nerve, Stomach, Liver and Kidney diseases. Sold by J. F. Smith, Centre Hall; F. E. Wieland, Linden Hall; G. H. Long, Spring Mills.

THE HOME GOLD CURE.

An Ingenious Treatment by Which Drinkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No weakening of the nerves; a pleasant and positive cure for the liquor habit.—It is now generally known and understood that Drunkenness is a disease, and not a weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your husbands!! Children cure your fathers!! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of sufferers have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of one dollar. Address Dept. B754 Edwin B. Giles & Company, 2330 and 2332 Market Street, Philadelphia. All correspondence strictly confidential.

The Pilgrim for June. The Pilgrim for June opens with a timely article on that most characteristic of American summer resorts, Atlantic City, by Julian Hawthorne, who in that connection makes a plea for a greater proportion of out-door life in the routine of the hard-working American. This note finds echo elsewhere in the Pilgrim in a suggestive article on "Neighborhood Golf Clubs," in a brilliantly illustrated article on "Formal Gardening" by Prof. Wilhelm Miller of Cornell, and in the editorials.
