"The Cruise of the Petrel,, by T. Jenkins Haines, while just as salt, is a different kind of a book, in that it is a whaling brig during the War of 1812. The Petrel turned privateer without due marrant of even the lax without due warrant of even the lax law of the time. The fortunes of her crew and her ultimate fate make a story doubly worth hearing when told with such spirit as this is.

The New York Sun calls it "An exceptionally lively tale. . . . A real sea story of the sort that human nature craves."

tarrh by the use of powders, acid gas-es, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eat- $\epsilon$ n away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treat-ment of Catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflected parts. Red shoes and Stockings for the This wonderful remedy is known as "Snuffles the Guaranteed Catarrh Cure," and is sold at the extremely low price of one dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use. "Snuffles" is the only perfect catarrh cure ever made, and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve hay fever or cold in the head. Catarrh when neglected often leads to consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treat-ment which is positively guaranteed to cure catarrh in any form or stage if used according to the directions which
