**Cement Houses.**  
The construction of cement houses is under consideration in Pittsburgh, where the millions of tons of furnace slag produced every year could thus be utilized. It has been shown that this slag can be converted into cement by known processes at a less cost than the \$1 a barrel suggested by Mr. Edison as the result of an invention on which he is experimenting. This cement, it is claimed, can be made fully equal to the best that is known as Portland, although a lower and a cheaper grade would suffice for house construction. Pulverized and mixed with lime, the slag has been converted into a superior plaster, showing a tensile strength greater than the ordinary sand and lime. Cement made from the slag would not only be economical for house construction, but would make practically fireproof buildings. Such use of a product now wasted or used only to fill ravines would also be preservative of the forests.

"Two Indians," was the reply.  
"What were the Indians doing?"  
"I didn't ask em," answered the boy.

# LION COFFEE

## A LUXURY WITHIN THE REACH OF ALL!

**"THE VILLAGE GROCER."**  
(With due apologies to H. W. Longfellow.)

Under a spreading chestnut tree  
The corner grocery stands,  
The grocer—mighty man is he  
With hard and sinewy hands,  
That weigh out goods from morn till night,  
And also coffee brands.

His goods are varied in their price  
And quality as well,  
The store itself looks neat and nice,  
As all his neighbors tell.  
And his one great ambition is  
To LION COFFEE sell.

Week in, week out, from morn till night,  
You'll hear this fellow blow  
About his coffee, always right,  
The LION brand, you know;  
Because it's pure and honest goods  
He tries to make it go!

Not only is it pure and good,  
But also very cheap,  
Because 'tis best for household use,  
A stock he'll always keep.  
In LION COFFEE thus his faith  
Is both sincere and deep.

Buying—rejoicing—wondering,  
His customers attest  
That LION COFFEE is, by far,  
In quality the best,  
And the premiums also are admired  
And always in request.

Watch our next advertisement.  
Just try a package of LION COFFEE and you will understand the reason of its popularity.  
LION COFFEE is now used in millions of homes.

In every package of LION COFFEE you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or girl will fail to find in the list some article which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Heads from the wrappers of our one pound sealed packages (which is the only form in which this excellent coffee is sold).
