

Back From the Philippines.
Bellefonte welcomed the returning soldiers from the Philippines Monday evening in elegant style. The volunteers on reaching San Francisco were mustered out, and came home in groups of two and three, much to the disappointment of the reception committee. The crowd was quite large and seemed to have gathered like magic when eight o'clock came. Parade, fire works, addresses was the order. Col. Fortney presided. Judge Love was the principal speaker, followed by Mayor Blanchard, Senator Heine and Capt. Hugh S. Taylor.

The soldiers who returned recently were Samuel Meese, Samuel Solt, George W. Sunday, Jesse Underwood, James Vallance, Edward R. Taylor Bellefonte; Milton Reed, Samuel Sweitzer, Milton Robb, Coleville; Clyde Z Long, Frederick Tebbs, Howard; John A. Thomas, Port Matilda; Frank Freize, Boggs, and Edward Hill, Bellefonte.

Late Literary News.

It is probably true that almost every man has in him certain qualities which would draw some woman to him, but it is difficult to frame a statement in general terms of "What Women Like in Men." This is the task which a very well-known author, under the non-de-plume of Rafford Pyke, has undertaken in the Cosmopolitan for July in a clever essay.

Scribner's Magazine for July has an attractive flavor of adventure, sport, travel, and holiday-making out-of-doors. These are entertainingly presented, both in the text and in the abundant illustrations of the strange countries which are the subjects of the narratives. Senator Hoar gives personal reminiscences of famous orators he has heard, with vivid descriptions of the oratory of Gladstone, Choate, Edward Everett, and other great speakers of the past half century.

Miss Minnie Worley and Miss Koken, of Tyrone, are visiting their uncle, Samuel Bailey, at Boalsburg, for a few days.

THE HOME GOLD CURE.
An Ingenious Treatment by Which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No weakening of the nerves; a pleasant and positive cure for the liquor habit.—It is now generally known and understood that Drunkenness is a disease and not a weakness. A body filled with poison, and completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of febrile states. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your husbands!! Children cure your fathers!! This remedy is in no sense a nostrum but is a specific for this disease only, and is skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of one dollar. Address Dept. B734 E. W. K. Giles & Company, 2330 and 2332 Market Street, Philadelphia. All correspondence strictly confidential.

During last May an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Bookwalter, Ohio. For sale by Mrs. J. W.
