The Reporter's correspondent from Spring Mills writes that myriads of winged bugs have made their appearance on potato stalks in that neighborhood, but no noticeable damage was done.

Ready for Work,

Considerable new material is on its way to the Reporter office, which will aid in executing job work. Business men who patronize the Reporter's job work department usually receive considerable gratuitous advertising, which if charged for would ofttimes amount to as much as the work itself.

The Time Not Known

Just when the Commercial telephone line will connect with Union county is not known. The order for the supplies has been given, and as soon as they arrive work will commence. Supt. Murty on Saturday said the bolts may be in the raw ore trees, but as soon as they can be gotten together the line will be constructed.
