Reduced Rates to Bellefonte. For the Reunion of the Centre County Veteran Club at Pine Grove Mills, Bellefonte, September 7, the Pennsylvania Railroad Company will sell excursion tickets to Bellefonte, Pa., and return, from Lock Haven and intermediate stations, and from Philadelphia and other points in Centre county, at reduced rates. Tickets will be sold September 6 and 7, good to return until September 9. (No ticket sold for less than 25 cents.)

TOUR TO THE PACIFIC COAST. In view of the great popularity of transcontinental travel under the Personal-Conducted System, as evinced in the recent Pennsylvania Railroad Tour to the Pacific Coast and Canadian Northwest, that company has decided to run another tour to the Pacific Coast, including the itinerary a visit to the world-famous Grand Canyon of Arizona, in the early fall. The tour will leave New York, Philadelphia, Baltimore, Washington, and other stations on the Pennsylvania Railroad east of Pittsburgh, on Monday September 24, and reach New York on the homeward trip, Tuesday, October 22.

As in former tours to California under the auspices of the Pennsylvania Railroad, a special train, composed of the highest class of Pullman equipment, will be utilized during the entire trip. Excellent meals will be served in the dining cars attached to the train during the entire journey, except during the stops at San Francisco and in Chicago. An observation car will appeal to all who delight in scenery. Few trips afford so great a diversity in Nature's beauties as the one outlined below. Westward bound, the tourists will pass through the wild slopes of the Colorado Rockies, around the Great Salt Lake, and over the fastnesses of the Sierra Nevada. After visiting all the beautiful resorts on the sunny California slopes, the eastward journey will be through the Arizona desert to the Grand Canyon of Arizona. Its beauties cannot be painted in mere words. Magnificent in coloring, awful in its depths, it stands among the natural wonders of the world. Thence across the plains to St. Louis, and eastward through Illinois, Indiana, Ohio, and Pennsylvania, the tourists reach their destination just thirty days after leaving home.

The various transcontinental lines having made low rates on account of the General Triennial Convention of the Protestant Episcopal Church the Pennsylvania Railroad Company is enabled to offer this superb vacation trip at the low rate of \$185 for the round trip from New York, Philadelphia, Baltimore, Washington, or any point on Pennsylvania Railroad east of Pittsburgh, one in a berth; and \$165 for the round trip, two persons occupying the same berth. The rate from Pittsburgh will be \$5 less.

Diagrams are now open, and as the number of persons to be accommodated will be strictly limited names should be registered immediately. For further information and descriptive pamphlet apply to George W. Boyd, Assistant General Passenger Agent, Broad Street Station, Philadelphia, Pa.

Minister's Good Work.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured" says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said 'No.' I went home and got him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured." For sale by Mrs. J. W. Keller, Linden Hall; J. F. Smith, Centre Hall.
