Struck Oil.

The most encouraging reports come from the lands of W. H. Brown and Philip Keller in Bald Eagle township, Clinton county, says the Lock Haven Democrat of the 3rd inst., where prospecting operations are now in progress. The drill went through a vein of coal three and a half feet thick, and about twenty feet below that the drill struck another vein. There are also on these lands veins of clay of a good quality.

Edward Arnold Held for Murder.

Edward Arnold, who Wednesday of last week, killed the negro Wm. Denton, on the streets of Lewisburg, was held for trial at the January term of court on the charge of murder. Arnold claims to have committed the act in self defense. A witness who saw the whole transaction from her bedroom window, testified that the colored man was the aggressor in the combat. This bit of evidence will no doubt save Arnold his neck.

Caught Big Game.

A land turtle that has spent one or two years on the writer's premises in Centre Hall without being observed more than once or twice, caught big game. The holding of a fine mink cat brought the attention of a feline lover to it, and on investigation it was seen that the land turtle had proud Mr. Thomas well and fast by his paw. It took considerable persuasion to induce the turtle to release his hold. By a certain number of raps on his hard shelled back the turtle was made to understand that cat meat was an improper diet for him.

ACCIDENTALLY SHOT.

Charles Packer Received a Probably Fatal Wound Saturday Night.

Charles Packer was shot Saturday evening about six o'clock by the accidental discharge of a gun in the hands of Henry Knoffsinger. Mr. Knoffsinger was cleaning a gun at the time, and it was supposed the weapon was not loaded.

The ball struck young Packer, who is sixteen years old, an inch below the navel, and after receiving the wound walked from the Knoffsinger home in Greens Valley to the Gordon farm, on the Zion road, where Dr. Fisher was called to dress the wound. The physician was unable to locate the bullet. The young man is in a very serious condition at present.

Will Soldiers Get Bounty?

It seems that none of the old Federal laws, which provide for a bounty of \$194 for each soldier upon enlistment, have been repealed, and that therefore all the veterans of the last war are entitled to that amount. This will be added to by a Pennsylvania statute which gives a further bounty of \$20 for each soldier who enlisted within the borders of the state. Both laws were passed during the days of the Civil war when volunteers were difficult to secure.

To Wed in Allegheny.

Arney A. Lee, son of J. F. Lee, of this place, and Miss Sarah J. Tate, of Allegheny, will become man and wife Wednesday evening of next week. The bride is a daughter of R. H. Tate, general superintendent and manager of the Magnus Metal Co., of Allegheny, at whose house the wedding ceremony will be performed.

Miss Grace Lee, sister of the groom, will act in the capacity of bridesmaid and a brother of the bride will be groomsmen.

The groom has been in the employment of the Westinghouse company for several years, and consequently the newly married couple will make the Smokey City their future home.

J. T. Lee and daughter Grace will go to Allegheny Saturday of this week.

The Importance of Tree Planting.

The importance and lasting benefits of tree planting cannot be overdriven. There are a number of homes in Centre Hall that are lacking the beauty of shade trees in front of them, and the owners should not permit the fall arbor day—October 25—to pass by without setting trees in the vacant places. The expense is so small, and value in years to come so large, that no one can afford to plead poverty when the shade tree subject is mentioned. Compare the fronts of homes studded with the beautiful maple with the fronts of homes barren of trees, and you will at once see that the latter is lacking an essential to a pleasant home. Plant shade trees, and when doing so select a hardy variety, such as the silver maple, or any of the maple species.

Wedded Under Difficulties.

With her head bandaged and unable to stand on her feet without assistance from friends, Miss Bertha Stamm, of Loganton, at noon Thursday of last week became the wife of Rev. C. C. Mistner, of Millinburg. The wedding was solemnized by Rev. Mr. Keener, of Lewisburg.

Mr. Mistner and Miss Stamm narrowly escaped serious injuries in a runaway accident while driving from Lock Haven to Loganton mention of which was made in last week's issue. Miss Stamm was rendered unconscious, while Mr. Mistner was badly cut and bruised. Thursday had been fixed as their wedding day, and despite their condition, it was decided to have the ceremony performed. The bride was carried down stairs, and by the assistance of friends, she was enabled to go through the ceremony.

RELIEVED OF HIS MONEY.

A Fillmore Farmer "Done Up" by a Supposed Friend.

Jeremiah Rhone, a farmer, of Fillmore, Friday of last week went to Phillipsburg on business. During the day he fell in with a young man aged about thirty years, who was a total stranger to him. It seems that they "made up" with each other most freely, and took an occasional drink together. About 7:30 in the evening they wandered down the Pennsylvania railroad to the watering tank, near the engine house. Here the young man, whose name he afterwards gave as Calvin Stiles, and who, it is thought, lives near Snow Shoe, proceeded to "do up" his former friend and relieve him of his money. He choked him, hammered him and kicked him until he was presumably unconscious. Then he rifled his pockets, getting about \$75. He was arrested later in the night and is now an inmate of the Bellefonte jail.

SUDDEN DEATH.

Reuben Kline, Thirty Years' Constable, Expires in R. R. Waiting Room.

Constable Reuben Kline died in the waiting room of the Spring Mills railroad station Tuesday morning after the departure of the morning train west.

Mr. Kline was the mail carrier from Penn Hall to R. R. station, and on the morning mentioned for some reason was a bit behind time, which was an altogether unusual occurrence. He usually met the Ruhl hotel hack on the pike and rode across to the station, but as he was not in sight the hackman drove off without him. After going a short distance he was observed coming as rapidly as possible. The hackman waited and took his old friend with him; he also took care of his mail at the station, and when he was ready to return it was observed that Mr. Kline, who remained in the hack on account of fatigue, was seriously ill. He was tenderly carried to the waiting room of the station and given the best possible accommodations. It was only a few minutes until he was dead.

The deceased was for thirty years constable of Gregg township, and performed much of the business pertaining to his office on foot. He was aged seventy-eight years and eleven months. His entire life was spent in Gregg township. The interment took place at Heckman's cemetery this (Thursday) morning. Rev. Brown officiating. Deceased leaves two children—Jane at home and George, living near by.

Will Enforce Game Law.

The game laws will be rigidly enforced this season, as wardens and officers throughout the state have been notified to keep a sharp lookout for violations. Rabbits may be killed from November 1st to December 15th, inclusive; gray, black and fox squirrels from October 15th to November 15. Red or pine squirrels are not protected. Ducks, geese, brant swan and snipe may be hunted and killed from now until May 1st. The shipment or carrying of game from the state is prohibited. Prosecutions can be brought any time within a year from the date of violation. One-half of the penalties inflicted goes to the person furnishing information of the violation.

Philadelphia's Under side.

A protracted investigation of the under side of Philadelphia, in which this famous criminologist devoted days and nights together with trusted friends, unknown to the police and unrecognized by the "graffers," will be reported in the great Philadelphia Sunday Press, beginning next Sunday, October 13. The facts are recited coldly, carefully, dispassionately, with detail and correctness—what the thief, the speak-easy proprietor and the tramp think of our great cities and of Philadelphia in particular from the standpoint of protected graft. It is a story of stupendous meaning to every taxpayer and voter in the United States. In order that you may be certain of reading it, you had better order a copy of next Sunday's "Press" from your newsdealer in advance.

Because District Attorney N. B. Spangler has no opposition for reelection is no reason why every Democratic voter in the county should not make an effort to increase his vote. You can show your appreciation of his service by voting for him, and he will feel as highly complimented as though he had the bitterest opposition.

Last week ex-Sheriff Condo, of Millheim, was paid \$1405 03 by the county commissioners, that being the balance of \$1805 03 incidental to the Etlinger affair at Woodward. Mr. Lybarger is especially well fitted for the position to which he aspires, and the county Democracy did well in recognizing his peculiar fitness.
