Every week a greater satisfaction. And now let us say to one and all that while the 'ast thought of each day is, 'have we done all in our power to place goods today in the hands of our customers at the lowest possible prices," we always aim to start the next day with greater determination, if possible, to outdo the day before, and try in some way to merit a deeper confidence than before, by giving new goods at best cash

Every day a new revelation.

Our position is such that we can give you good value for your money, in fact more than you can get elsewhere in the valley. You know we pay no rents, no drayage, buy po goods from traveling salesmen, sell for cash, never give exchange tickets or premiums, (look out for the store that gives premiums, you pay well for these,) but we sell you goods outright at a low cash borgain. We invite your closest attention and ask you to see how much we can solicit your confidence with the best of everything in season.
