Strang Things.

Some people work to live, others live to work, and some do not work at all and yet live, while some live off other people, and others can live on dances. Work before play; business before pleasure. Sunshine after a rain makes every thing flourish; spring is here, with the merry birds to greet us and merrily on we bound, eating, dancing all the time and drinking lager beer and wine. There are all kinds of people in the world; if the working class was set free from work and the parts to take their places, there would surely be some homely faces. LIVELY JACK.
 Better Than Pills. The question has been asked, "In what way are Chamberlain's Stomach & Liver Tablets superior to pills?" Our answer is: They are easier and more pleasant to take, more mild and gentle in effect and more reliable as they can always be depended upon. Then they cleanse and invigorate the stomach and leave the bowels in a natural condition, while pills are more harsh in effect and their use is often followed by constipation. For sale by J. F. Smith, H. F. Rossman, J. B. Fisher & Sons.
