Appointed to West Point,

James G. Taylor, of Bellefonte, was appointed to the cadetship at West Point by President Roosevelt. Young Taylor will graduate from Bellefonte High School in June, which certificate will admit him to West Point without further examination. The appointment was made upon the recommendation of Hon. J. K. P. Hall, the Representative in Congress from this district. Taylor is a brother of Capt. en of by some early farmers. Hugh S Taylor. He will enter school in June of 1903.

Fxchanged Interests.

The firm of N. Lapham & Company, whose main office is in New York, has exchanged their cooperage plants at Sober and Potters Mills for a balf interest in similar plants in Berkville, Virginia. The mills mentioned above, since last December, were superintended by H. N. Lapham, who, with his family, boarded at Runkle's hotel. Wheat and Grass.

The late sown wheat will, in most instances, not prove a profitable crop, and in many cases not yield the seed. The early sown grain is in very fair condition, but is hurt in spots by drowning. The indications are that the grass fields are well set with plants. The past ten days have been very favorable to this crop, which has taken root and is beginning to look green. The fields are fully two or three weeks ahead of last spring.

A Time for Everything.

There is an old adage that says we must find a time to play as well as a time to work. We leave this for you to decide for it is hard to find a rule that will work in all cases, as so many men are born under such varied circumstances; where luck is showered upon one, making life easy, another must toll to keep pace. So we will not attempt to solve a problem that enters into every one's experience, surrounded with an environment of its own; but one thing is very sure. We are going to sell you more goods and for less money than ever before. It is impossible to tell you of even one-tenth of our offerings, but will attempt to give you a me e sprinkling. Come and see the rest.
