The Christmas advertisements crowded from the Reporter columns a number of news articles that should have appeared this week.

McClure's Magazine.
The History by Miss Ida M. Tarbell which began in the November McClure's is the "Great Story of Standard Oil."

"Miss Tarbell's work is of unequalled importance as a 'document' of the day. Her story has live men in it; they suffer and work and win and lose their battles with the verisimilitude that removes the tale from the dry statement and clothes it with the color of human interest and the vivid rainbow garment of human sympathy. *** The results of her work are likely to be far-reaching; she is writing unfinished history." Boston Globe.

"An absorbing and illuminating contribution to the trust question." Chicago Inter-Ocean.
"The most important announcement made by any magazine." N. Y. Journal.

A Good Cough Medicine.
[From the Gazette, Toowoomba, Australia]
I find Chamberlain's Cough Remedy is an excellent medicine. I have been suffering from a severe cough for the last two months, and it has effected a cure. I have great pleasure in recommending it.—W. C. WOCKNER. This is the opinion of one of our oldest and most respected residents, and has been voluntarily given in good faith that others may try the remedy and be benefited as was Mr. Wockner. This remedy is sold by J. F. Smith, H. F. Rossman and J. B. Fisher's Sons.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.
Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.
It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.
Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both Home of Swamp-Root, free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Philadelphia Thronged With Christmas Shoppers

Wednesdays and Saturdays, which are known as matinee days by the Philadelphia shoppers, are not always the days which shoppers can select for their trips to the city, and for this very reason the new home of continuous performance which Mr. Keith has erected on Chestnut Street, between Eleventh and Twelfth, right in the heart of the shopping district, at a cost of over a million dollars, holds out peculiar inducements to this class of visitors. Every day is matinee day at Keith's and every day the performance is continuous from 12:30 noon to 10:30 p. m.
The theatre is new, the location is new, and shoppers have not yet become thoroughly acquainted with the many advantages that this temple of amusement offers. On the orchestra floor there are three rooms set aside for the exclusive use of lady patrons. Expert maids are in charge and at the service of patrons without fee. In these daintily appointed boudoirs and retiring rooms can be found everything necessary for my lady's toilet—a myriad of mirrors, from the small hand glass to the stately pier mirror; powder puffs, atomizers, hairpins, toilet water, perfume—and last, but not by any means least, a complete little drug store.

A New Remedy.

The old friends of Chamberlain's Cough Remedy will be pleased to know that the manufacturers of that preparation have gotten out a new remedy called Chamberlain's Stomach and Liver Tablets, and that it is meeting with much success in the treatment of constipation, biliousness, sick headache, impaired digestion and like disorders. These Tablets are easier to take and more pleasant in effect than pills, then they not only move the bowels, but improve the appetite and correct any disorders of the stomach and liver. For sale by J. F. Smith, H. F. Rossman, J. B. Fisher's Sons.
