Policy Holders Beaten. The Iron City Mutual Fire Insurance Company of Pittsburg, which went into the hands of a receiver, has laid heavy assessments upon its policy holders. In this county payment was resisted and suit was brought against J. H. Reifsnyder, Esq., of Millheim, and this was regarded as a test case. In May last year the case was tried in the court of this county, and the receiver of the insurance company was given a verdict for \$500.25. Reifsnyder appealed to the Superior court, which has just rendered a decision affirming the lower court. It looks now as though the policy holders have no remedy but must pay the burdensome of Isaac Smith. assessments.
