DENIED RIGHT OF DEFENSE

Russian Government's Latest Circular to the Jews.

NUMBER OF DAMAGE SUITS ENTERED.

The Governor of Bessarabla Summoned to St. Petersburg-Mr. Levi Natronat, President of B'nai B'rith, Says It is Not Wise to Execrate Russian Government for Brutality

St. Petersburg (By Cable).-Lieutenant General von Reaben, governor of Bessarabia (the capital of which is Kisheneff), has been summoned to St. Petersburg.

A ministerial circular forbidding the Jews to defend themselves has been issued. It is expected that this step will blows. stimulate Jewish emigration to America.

Three thousand suits for damages have been instituted against the state at bitration, called out 1000 additional Kisheneff. The damages demanded union men, increasing the number of amount to \$1,500,000.

New Haven, Ct. (Special).-During the course of the proceedings at the an nual convention of District No. 1, Inde-pendent Order of B'Nai B'rith, subscriptions were called for to aid the Kisheneff (Russia) sufferers, and more than \$1,000 was secured among the dele-

gates, about 140 of whom were present.

President J. B. Klein read his annual report of the work of the lodges in the district, after which he presented to the meeting a message from National President Leo N. Levi, of New York, concerning the Kisheneff affair. The statement from President Levi was as fol-

"The recent massacre of Jews at Kisheneff has aroused great excitement and, as usual when excitement prevails, errors of lasting influence are likely to be committed. To the end that the B'nai B'rith, the great world-wide permanent representative Jewish organization, may not be hereafter embarrassed or crippled in its usefulness by mistakes in this York. crisis, I beg through you to lay before the subordinate lodges the following facts and considerations:

When the massacre was first reported the executive committee, through one of its members, Samuel Wolf, applied to our government for an official a list of victims, a statement of the relief required and the manner in which it could be afforded without offense to Russia. The Secretary of State cabled for such a report, and under date of cablegram received from Ambassador McCormick, at St. Petersburg. It is as follows:

**

| Miss Grace Noble, in a paper read before the Hull House Meeting Club

'It is authoritatively denied that Jews in Southwestern Russia, and aid of any kind is unnecessary. While the offer and spirit in which it is made is appreciated, it is gratefully declined."

In Chicago, stated that professional women, to attain success must shun cocktails, man and flattery.

Injunction proceedings were begun against 16 fire insurance companies in appreciated, it is gratefully declined."

SOUTHERN MILL MERGER.

Philadelphia (Special).-To effect an early consummation of the Fries Mill merger under the charter of the Southern Textile Company, expert accountants were put upon the books of all the mills concerned in Georgia. Ala-bama, Tennessee and Mississippi. sia and are adopting rigorous measures

Judge Hulme, chief counsel of the Southern Railway in Alabama, has been authorized to pass upon the title to all the properties involved, and the actual transfer will be made as soon as the searches are completed, some within the week. It is announced with authority that the merger will be effected upon the terms originally proposed.

HEROIC ENGINEER.

Gave Up his Life in Trying to Save the Passengers-Two Killed.

Washington C. H., O. (Special) .on the Midland Division of the Baltimore and Ohio Southwestern was the Exchequer Ritchie gave little comwrecked five miles east of Washington C. H. Two persons were hilled and several seriously injured. All the passen-gers were bady shaken up and some sustained painful bruises. The accident was caused by spreading rails. The train was running at a speed of about 45 miles an hour when it left the track. Engineer May stuck to his post, shut off steam and applied the airbrakes.

Bowen off to Venezuela.

New York (Special) .-- Herbert C. Bowen, United States Minister to Venezuela, sailed for Venezuela. He will return in a month when he will proceed to The Hague as a member of the arbitration commission between Venezuela and the other powers. Mr. Bow-en was accompanied by William E. Bainbridge, commissioner on the part of the United States as the claims arnouncing his adhesion to the 'passive Doyle, assistant United States agent; Ward A. Fitzsimmons, disbursing officer, and Senor Riano, of the Spanish the Spanish government.

Woman Choked and Robbed.

fourth assault on a woman within a fortnight took place here, when a negro leaped from the bushes on what is called the Bunker Hall road and clutched Mrs. E. A. Stevens by the throat. He threw her to the ground, tore her clothing badly and seized her purse. Mrs. Stevens is hysterical as a result of her experience, but otherwise uninjured. The negro is believed to be the same man who has been ferrorizing girls and young women in different parts of the city.

Cassini Refuses Aid to Finns.

Lincoln, Neb. (Special).-Governor Mickey received a letter from Count Cassini, Russian Ambassador at Washington, declining with thanks the \$500 appropriated by the Nebraska Legislature for the relief of sufferers in Fin- fect the money market. land and returning the check. The Ambassador in his letter states that the Russian government has provided funds for the relief of the Finnish people and that the money can be better employed where there is greater need for it.

JACKSONVILLE FLOODED.

A Square Mile of the City is Under Water.

Jacksonville, Fla. (Special).—The rain which had been falling incessantly for several days assumed about daybreak ilmost the proportions of a cloudburst, and when the citizens prepared to leave for their places of business many of them found their homes completely surrounded by water.

Many were driven from their residences or forced to go to upper stories by the water that in some cases reached the level of the first-story windows. In all as much as one square mile of the town was under water. Fully a half-mile of Bay street, the principal thoroughfare of the city, was under water, and much damage was done to stocks of goods. On this street a mule hitched to a

wagon got beyond its depth and was drowned, and the driver, attempting to cut it from the vehicle, nearly lost his life. Skiffs and later in the day a captha launch were plying on Bay street removing people from their submerged homes.

The water was two feet deep in the waiting-room of the Union Depot, and every railroad track entering the city was under water. The damage to the railroads in and
