

Dark Hair

"I have used Ayer's Hair Vigor for a great many years, and although I am past eighty years of age, yet I have not a gray hair in my head."
Geo. Yellott, Towson, Md.

We mean all that rich, dark color your hair used to have. If it's gray now, no matter; for Ayer's Hair Vigor always restores color to gray hair. Sometimes it makes the hair grow very heavy and long; and it stops falling of the hair, too.

FOR WOMEN

Much That Every Woman Desires to Know

About Sanative Antiseptic Cleansing

And about the Care of the Skin, Scalp, Hair and Hands.

Too much stress cannot be placed on the great value of Cuticura Soap, Ointment and Resolvent in the antiseptic cleansing of the mucous surfaces and of the blood and circulating fluids, thus affording pure, sweet and economical local and constitutional treatment for weakening ulcerations, inflammations, itchings, irritations, relaxations, displacements, pains and irregularities peculiar to females. Hence the Cuticura remedies have a wonderful influence in restoring health, strength and beauty to weary women, who have been prematurely aged and inviolated by these distressing ailments, as well as such sympathetic afflictions as anæmia, chlorosis, hysteria, nervousness and debility.

Women from the very first have fully appreciated the purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy which have made the Cuticura remedies the standard skin cures and humors remedies of the civilized world.

Millions of the women use Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for annoying irritations, and ulcerative weaknesses, and for many sanative, antiseptic purposes which readily suggest themselves, as well as for all the purposes of the toilet, bath and nursery.

Didn't Like East Room.

"Is it solid gold?" The eager questioner was a country woman, a member of a large party which a railroad agent was piloting through the east room of the White House. She pointed to the piano with the gold-leaf coating as she asked the question.

The guide attempted to evade the woman's question by referring to the seals of the thirteen original States which adorn the sides of the instrument, and explained that it is the one hundred thousandth piano manufactured by a prominent American firm.

"Is it solid gold?" the woman interposed.

"Still the guide did not answer.

"You will notice that there are thirteen settings in this room, one for each of the original States," he continued.

"But I want to know whether the piano is solid gold," the woman insisted.

"No, madam, it is not solid gold," the guide remarked with a slight display of temper.

"Huh!" the woman retorted. "I've seen callopes that looked better and I'd hoped that it had value to recommend it. When there's only one real piece of furniture in a room of this size a person sort of expects that it'll be worth while coming to see. I can't find anything fine about this room but the view you get from the south windows."

THE KEYSTONE STATE

Latest News of Pennsylvania Told in Short Order.

After a series of postal thefts extending over a year, Charles Botteiger, a baggage-master on the Lykens Valley Railroad, was taken into custody at Lykens by Postal Inspector Malone. In company with Malone another inspector and Postmaster William Feindt, he was taken to the postoffice, where he confessed. His sweetheart, it is said, was the recipient of his stolen goods and it was through her wearing many of the stolen articles that Botteiger was finally run down. An investigation showed that the girl has jewelry and wearing apparel amounting to about \$75, while a trunk at the home of Botteiger contained valuables to the amount of \$100. The trunk was hidden at his home and its contents were unknown to his widowed mother. Botteiger is a baggage-master on a train which carries the mail from Millersburg to Lykens. There is no mail messenger on this train and the mail is in the custody of the train crew. Botteiger was always at the train before the rest of the crew arrived, and it is supposed that it was during their absence that the sacks were rifled.

Miss Peters, daughter of Richard Peters, Jr., and Miss Felton, of Chicago, figured in a runaway near Media. Both were thrown from the carriage. Miss Peters suffering a fracture of the leg. Miss Felton escaped with shocked nerves. The horse became frightened at a passing trolley car and ran the carriage into a ditch along the side of the road. Both young women were dragged a hundred yards after the carriage overturned.

Mrs. Josiah Sellers, of Levin, Bucks county, was fatally injured by being struck by a southbound express train at Hatfield Station. With her husband and other members of the family, she was returning from a visit to friends at Hatfield. The horse was killed and thrown fifty feet. All the occupants of the carriage were seriously injured.

John James, of Parkersburg, W. Va., while at Uniontown, was the victim of a dream which resulted in a bad fracture and numerous other injuries. He dreamed that the house was on fire and that he was surrounded by raging flames and that the only avenue of escape was through the window. He jumped to the pavement 15 feet below.

Daniel D. Stanton, of Carbonale, was arrested by Anthony Comstock, of New York, and Deputy United States Marshal J. W. Snyder for sending immoral literature and devices through the mail. The case was worked up by Mr. Comstock, who is now a special postoffice inspector. Stanton was held in \$1000 bail.

COMMERCIAL REVIEW.

General Trade Conditions.

Bradstreet's says: Evidence multiplies that the past week saw the turning point for the better in crop, trade and labor matters. Improvement in these lines, continued and accelerated by the weather of the past week, has begun to be reflected in actual demand at the West and South, and although cool, rainy weather is still a drawback at the East, many signs of progress in the right direction are noticed.

Wheat, including flour exports for the week, aggregate 3,617,415 bushels, against 4,191,317 last week, 3,860,434 this week last year, and 5,520,831 in 1901. Wheat exports since July 1 aggregate 218,089,537 bushels, against 245,285,649 last season and 210,813,577 in 1900.

Business failures for the week ending June 18 number 165, against 181 last week, 177 in the like week of 1902, 168 in 1901, 167 in 1900 and 199 in 1899.

THINGS WORTH KNOWING.

The Magyars rule Austria-Hungary, although they number but six or seven millions in a population of forty three millions.

The Executive office of the United States calls for only \$112,000 a year, while England gives the royal family \$4,000,000.

There are forty veterans of the Civil War who lost both feet in battle. It is as one of these that Corp. Tanner's pension was increased to \$100 a month which is the same as that for the loss of both hands.

A PROMINENT COLLEGE MAN.

One of Indiana's Useful Educators Says: "I Feel Like a New Man."

MR. JOHN W. MENG.
Mr. John W. Meng, 54 Jefferson Ave., Indianapolis, Ind., State Representative of Indianapolis Business College, writes:

"I firmly believe that I owe my fine health to Peruna. Constant travel and change of food and water wrought havoc with my stomach, and for months I suffered with indigestion and catarrh of the stomach. I felt the only thing to do was to give up my occupation, which I felt very reluctant to do. Seeing an ad. of Peruna as a specific for catarrh I decided to give it a trial, and used it faithfully for six weeks, when I found that my troubles had all disappeared and I seemed like a new man. I have a bottle of Peruna in my grip all the time, and occasionally take a few doses which keeps me in excellent health."—John W. Meng.

The most common phases of summer catarrh are catarrh of the stomach and bowels. Peruna is a specific for summer catarrh.

Hon. Willis Brewer, Representative in Congress from Alabama, writes the following letter to Dr. Hartman:

House of Representatives, Washington, D. C.

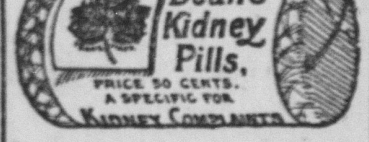

The Peruna Medicine Co., Columbus, O.: Gentlemen—"I have used one bottle of Peruna for laminitis, and I take pleasure

in recommending it to those who need a good remedy. As a tonic it is excellent. In the short time I have used it it has done me a great deal of good."—Willis Brewer.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

THE FREE KIDNEY DOCTOR.

It's the people who doubt and become cured while they doubt who praise Doan's Pills the highest.

Aching backs are eased. Hip, back and loin pains overcome. Swelling of the limbs and dropsy signs vanish.

They correct urine with weak, dull sediment, high colored, pain in passing, dribbling, frequency, bed wetting. Doan's Kidney Pills remove calculus and gravel, relieve heart palpitation, sleeplessness, headache, nervousness, dizziness.

TAYLORVILLE, MISS.—"I tried everything for a week back and got no relief until I used Doan's Pills."
J. S. LEWIS.

The reason you can get this trial free is because they cure kidney ills and will prove it to you.

WEST BRANCH, MICH.—Doan's Kidney Pills hit the case, which was an unusual desire to urinate—had to get up five or six times a night. I think diabetes was well under way, the feet and ankles swollen. There was an intense pain in the back, the heat of which would feel like putting one's hand up to a lamp chimney. I have used the free trial and two full boxes of Doan's Pills with the satisfaction of feeling that I am cured. They are the remedy par excellence."
