The Academy building is undergoing thorough repairs and a general renovation. But by the way, why was the old bell tower removed? True, it had no bell, but yet it added greatly to the appearance of the building, besides no doubt, some day we'll have school directors who will not hesitate nor dally about a couple of dollars to purchase a bell. With the tower removed, it will be difficult for a stranger to determine for what purpose the building is used. He might naturally remark—Why this looks like a huge brick barn, and to avoid similar ridiculous observations, it is suggested that the directors have painted on a sign board in large letters. This is our Academy building, and nail it on a post in front of the school house. The removal of the bell tower is simply a stupendous blunder.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, for the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble.

When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Elmhurst, N. Y. The regular fifty cent and one dollar bottles are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
