THE LOCAL EXHIBIT.

The Agricultural and Horticultural Exhibit Should be Enlarged. The local agricultural and horticultural exhibit at last year's encampment and exhibition at Centre Hall was a most creditable one, but there is much room for enlargement.

Very few farmers do not have something that would be creditable to this department of this distinctively farmers' gathering. The staple crops, corn, wheat, oats, barley, rye, potatoes, should be present in many varieties.

There is scarcely an end to freaks of nature that develop under the eyes of the agriculturalist and horticulturalist. These, too, can be placed on exhibition but the main object should be to exhibit the best products of the soil, and to make the department one of instruction rather than of amusement.

The various subordinate granges in Centre county have among their membership the most progressive, the most public spirited, the best educated of their class. The importance of a display of the products of the field, the orchard and vineyard should only need to be suggested to these in order to enlist their united co-operation and thus make this display one entirely in accord with the close relation it bears to the farming class.

Pawnee Bill's Wild West Show. Pawnee Bill's wild west show will exhibit in Lewisburg Friday afternoon and evening. The show is one of the greatest on the road, having many novel features never before witnessed.

FARMER'S INSTITUTE DATES.

Institutes will be held in Centre Hall and Rebersburg. Farmers' institute will be held at Centre Hall Wednesday and Thursday, February 3rd and 4th, and at Rebersburg Friday and Saturday following.

These gatherings will be in charge of Robert S. Seeds, of Birmingham; Thomas J. Phillips, of Atglen; J. H. Peachy, Belleville; J. W. Lighty, of East Berlin, and R. L. Watts, Scalp Level; Hon. J. A. Woodward, Howard.

Governor Pennypacker will attend the institutes at intervals if he is able to get away from his official duties at Harrisburg. Secretary of Agriculture Critchfield, Deputy Secretary Martin and other attaches of the department will also be present at the meetings.

The topics for discussion will pertain directly to agricultural interests of the State, and every effort will be made by the officials to make them attractive to the farming classes.

GENERAL MILES RETIRED.

President Falls to Recognize the Services of Head of Army. The curt official announcement of the retirement of Lieutenant General Miles, unaccompanied by any complimentary reference to his patriotic services, thus departing from the custom observed when other generals reached the end of an active military career, betrays its own pettiness and will bring its own retribution.

General Miles seized the opportunity to address the army he had commanded and the men with whom he had served in many fields feelingly and nobly. His sentiments are truly American, for as a soldier he admonishes his comrades that civil authority is paramount in the United States.

Corner Stone Laying. The corner stone of Trinity Reformed church edifice now in course of construction, Lewistown, will be laid August 16th.

HOSPITAL BENEFIT.

The Ladies' Auxiliary Hospital Aid Society will Give Musicals. The Ladies' Auxiliary Hospital Aid Society of Centre Hall will give a musical Tuesday evening, next, in Grange Arcadia.

Several young men, of Bellefonte, of more than ordinary ability—musical and otherwise—have consented to assist the ladies in their entertainment. The exercise by the children will be a novel and pretty feature.

M. C. Gephart, of Bellefonte, will place a piano in the hall to be used on this occasion. Mr. Gephart's kindness is greatly appreciated.

The Bellefonte hospital is an institution that should be heartily supported by every good citizen in Centre county. Since the institution is open to all physicians and patients within the county's borders, Centre Hall and vicinity should recognize the worth of its county hospital by patronizing the entertainment.

ODD FELLOWS' ORPHANAGE.

A Technical School for the Training of Orphans from the Various Homes. The standing committee appointed in January for the promotion of the new Odd Fellows' Orphanage on the site of the present home located near Sunbury has decided upon plans of utmost importance to that institution and to the membership of the order.

The committee has decided to issue a circular letter to all members of the fraternity in the state setting forth all that has been contemplated. It is desired that a fire proof building shall be erected with accommodation for no less than 150 orphans.

The committee in charge of the matter is comprised of W. H. J. Holman, of Patterson; E. C. Wagner, of Girardville; S. B. Hilliard, of Watsonstown; Robert Davis, of Mount Carmel, and L. P. Wally, of Millburg.
