**Women as Well as Men Are Made Miserable by Kidney Trouble.**

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.  
Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.  
Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.  
Don't make any mistake, but remember the name, **Swamp-Root**. Dr. Kilmer's **Swamp-Root**, and the address, Binghamton, N. Y., on every bottle.

**James Lewis Agato.**  
Conclusive evidence has come to light that James Lewis, one of the quartet of robbers captured in the Seven Mountains in June, can point to Potter township as his residence at one time. Lewis was the man shot in the neck, and while lying at the point of death at the Potters Mills hotel, he remarked that he had friends living within a short distance, but that he would rather die than reveal his identity. At the time, little thought was given to this expression, but it has since been discovered that he spoke the truth. His parents are both dead, but other relatives survive.

Lewis, which name however is an alias, with his parents, at one time lived near Millinburg, and it is reasonable to credit him and his gang with the robberies committed in Penna Valley on former occasions. His hand, no doubt, was in the post office robberies at Centre Hall and State College several years ago.
