

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail. Home of Swamp-Root, Inc., also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

GARMAN'S

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be ward off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. For sale by C. W. Swartz, Tusseyville; F. A. Carson, Potters Mills; Long.

THE COLT SALE.

Thirty Animals Sold for \$910.00—One Escapes to Mountains.

The colt sale Monday afternoon was largely attended by persons from a distance. The colts sold readily at an average price of \$30.50. There were some decidedly pretty animals in the lot, and the average of them had the agility of a cat.

Those who purchased were: Burrell Brothers, Salona, 7. Ed. Havise, Milroy, 2. Adam Felt, Boalsburg, 1. C. L. Grimm, Madisonburg, 1. John A. Corman, Centre Hall, 1. Robert Hettlinger, Spring Mills, 2. Dr. Kidder, Boalsburg, 3. Thomas Bond, Centre Hall, 2. Samuel Everhart, Boalsburg, 1. J. C. Grove, Zion, 1. Henry Lingie, Tusseyville, 1. B. H. Emerick, Centre Hall, 1. Elmer Hettlinger, Centre Hill, 1. Wm. Hagen, Farmers Mills, 1. Irvin Burris, Linden Hall, 2. H. Weaver, Farmers Mills, 3 mules.

Several colts broke loose from the crowd, ran down the Brush Valley road, scaled a fence and landed in a field of B. H. Arney. After circling about for a time, one of the number became frightened, and jumped fence after fence, but was finally gotten back to the road. The pretty little animal skirted the town and ran to the mountains Tuesday afternoon the animal appeared on top of Nittany Mountain as Cleve Mitterling was driving along, and with a little persuasion followed his horse to town.

Neither pale nor wire fence were barriers to the frisky colts, and in one or two instances the bars on the wires severely lacerated the flesh of the brutes that became entangled. The sale over, and settlement made, the next on the program was to capture the purchase made. This was done in various ways, but usually the skill of S. H. Beale was employed, who with a lariat easily lassoed his choice. These novelties afforded exciting amusement for the curious spectators, many of whom made great risks in assisting to cast the obstinate animals. Fortunately, however, there were no serious injuries reported.

POMONA GRANGE MEETING.

At Centre Hall—Election of Officers, Reports of Committees, Etc., of the Order.

The fourth quarterly meeting of the Centre County Pomona Grange was held in Grange Arcadia Centre Hall, Tuesday, Dec. 1.

A large representation was in attendance from all parts of the county. David Keller, master of the Grange at Centre Hall, delivered the address of welcome which was both interesting and instructive, and was listened to with wrap attention. George Goodhart, of Fairview Grange, responded on behalf of the County Grange.

After the appointment of the various committees the Grange Encampment committee made its annual report, showing a balance in favor of the Pomona Grange of several hundred dollars. The Grange Fire Insurance company made its quarterly statement showing an increase in insurance of \$225,000.

The treasurer of the County Grange stated that ten shares of the investments in Building and Loan Associations amounting to \$1000.00 had matured and been paid into the County Grange treasury.

Free luncheon was served which was a pleasant and social part of the day's proceedings.

The degree of Pomona was conferred on a class of ten in a very impressive manner.

This being the time for the biennial election of officers, it was promptly proceeded with and resulted in the election of George Dale, Master; Jacob Yarnell, Overseer; Willard Dale, Lecturer; George Geringer, Steward; C. D. Keller, Asst. Steward; D. M. Campbell, Secretary; Frank Musser, Treasurer; Roy Schaffer, Gate Keeper; Mrs. John Dale, Pomona; Miss Florence Marshall, Flora; Mrs. Nathan Grove, Ceres; Miss Edith Lutz, Lady Steward; Executive committee, Geo. Dale, L. Rhone, Col. Weaver, David Keller, Nathan Grove; Auditors of Grange Fire Insurance Company, Col. James F. Weaver for three years, and John S. Dale for two years, with James Gilliland holding over.

A resolution was adopted instructing the master to see that the funds in the treasury were safely reinvested.

It was decided to hold the first quarterly meeting of 1904 in the hall of the Bald Eagle Grange, Milesburg in January.

After the transaction of much other work, this, one of the most pleasant sessions of the Grange, closed with the expression by all that "it was good to have been there."
