The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail, Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Better Than a Plaster. A piece of flannel dampened with Chamberlain's Pain Balm and bound on the affected parts, is better than a plaster for a lame back and for pains in the side or chest. Pain Balm has no superior as a liniment for the relief of deep-seated, muscular and rheumatic pains. For sale by C. W. Swartz, Tusseyville; F. A. Carson, Potters Mills.

The looking-glass casts reflections, but it always tells the truth. Take VINTENA and the good effect will be immediate. You will get strong, you will feel bright, fresh and active, you will feel new, rich blood coursing through your veins. Vintena will act like magic, will put new life in you. If not benefited money refunded. J. D. Murray, Druggist.
