DO YOU GET UP WITH A LAME BACK ?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.
 It is the great medical triumph of the nineteenth century, discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.
 Dr. Kilmer's Swamp-Root is not recommended for everything but you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Birmingham, N. Y., on every bottle.

PLAIN TALK.
 Mr. Murray makes it as plain as he can.
 A great many people cannot understand how Vin-te-na can cure catarrh when located in the head, where it is first noticed; but whether in the head, throat or stomach, Vin-te-na destroys the disease and makes you well. Catarrh is an inflamed condition of the mucous surface and is the same wherever found. Local treatment may give relief—Vin-te-na brings the cure. Mr. Murray gives his personal guarantee with every bottle of Vin-te-na, and if you are not satisfied with the results he will return your money. Get a bottle today.
