Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Death of a Citizen of Spring Mills.
Spring Mills and community was shocked last Thursday night upon learning the sad news of the sudden death of one of its prominent citizens, John W. Shook, says a correspondent from Spring Mills.

Although he was ailing for about a year, owing to heart trouble, yet the end came suddenly, caused by paralysis.

He was a son of the late Phillip Shook, and was born September 4, 1853, and died March 31, 1904, aged fifty-seven years, six months and twenty-seven days.

He leaves to mourn their loss, his widow, his aged mother, and five brothers: Ephraim, George, Daniel, Andrew, and Emanuel, as well as this entire community.

The funeral was held Monday from his late residence, the remains being followed by a large concourse of friends to the Penns Creek church, where services were conducted by his pastor, Rev. Sheeder, of Aaronsburg, assisted by Dr. D. M. Wolf. He was buried in the Heckman cemetery.

Mr. Shook was a man of a kind disposition, having the confidence of the community, was active in business enterprises, being a member of the Spring Mills Creamery Company; of Shook Bros. in their stock farms, etc., yet he found his greatest pleasure in leading an exemplary Christian life, and on this account was an active member of the Penns Creek Lutheran church, where he was a deacon and Sunday school superintendent for the last fifteen years.

He was a kind husband, a helpful neighbor, a good citizen and a faithful Christian.

Peace to his ashes.

Died in Baltimore.
The remains of Mrs. William C. Hipple, of Baltimore, Maryland, were shipped to Centre Hall Monday and conveyed to the home of her parents, Mr. and Mrs. George W. Spangler, of Tusseyville, from which place interment was made Tuesday forenoon.

Rev. Daniel Gress officiating. Her death occurred Saturday morning.

Her age was thirty-five years and fourteen days.

The deceased's maiden name was Lydia A. Spangler, her marriage having taken place about six years ago. She is survived by her husband, her parents, one brother, N. B. Spangler, E. G., Bellefonte, and one sister, Mrs. Edward W. Crawford, Centre Hall.

Mrs. Hipple's death having occurred in April, recalls to mind the fact that all the deaths in the Spangler family occurred during that month—Mrs. Uriah Fleisher and two small children.

ELKIN FOR JUDGE

Pennypacker Withdraws Tuesday Afternoon—Quay His Confidant.

Governor Pennypacker late Tuesday afternoon declined the Republican nomination for Justice of the Supreme Court in reply to a proffer of the support of the Philadelphia delegation.

Simultaneously with the announcement of the Governor's withdrawal went out the official tip that former Attorney General John P. Elkin was elected for the place. This was assured when the Republican caucus at night after taking a ballot to permit county delegations to cast complimentary votes for favorite sons, Mr. Elkin received unanimous indorsement for nomination by the State convention Wednesday.

Governor Pennypacker's secret was well kept. The only man taken into his confidence was Senator Quay. Senator Penrose did not know at 1 o'clock what the decision would be. Mr. Elkin and his friends had the assurance of the leaders twenty-four hours in advance that he could have the nomination in what was considered the improbable event of the Governor's withdrawal.

Settled for \$10.
It cost a State College student ten dollars to see John Weaver fall from his bicycle Tuesday evening at the Centre Hall railroad station. A number of students came to Centre Hall on the train in the morning and from here walked to Penns Cave to view the cavern. On returning to Centre Hall they discovered that the train was late. Waiting grew wearisome, and to break the monotony, one of their number upset the bicyclist and paid for the fine.

Miniature Landslide.
Friday while it was raining at its worst there was a landslide on a small scale near the house of John R. Williams, east of Lemont. It carried several plum trees about twenty or thirty feet from the place where they were first standing and left them standing in an upright position, just as though they had been planted there by human hands.

The Rebekah Lodge, at Centre Hall, announce that they will hold a festival on Memorial Day.

Miss Roxanna Brisbin Wednesday afternoon left for Hartford, Connecticut, where she will remain with her sister, Mrs. Harry Boon. Mrs. Boon recently had nervous prostration and has not fully recovered.

W. E. Nixon, of Lamar, moved his portable saw mill from the J. A. Gummo timber lot in Lamar township to Lamar gap, where he will saw out the timber on a tract of land owned by County Treasurer John R. Thompson. It will require several months to clean off this tract, which contains a lot of nice timber.

M. L. Rishel, Esq., in another column advertises at orphan's court sale, two tracts of timber land, property of the estate of Jeremiah Stover, deceased, late of Gregg township. These timber tracts contain one hundred and fifty-one and thirty-three acres, and are located on Nittany and Brush Mountains, respectively.

Landlord Ray at the Brockerhoff House is continuing to make improvements at that popular hostelry. The latest to receive his attention is the Cafe, says the Daily News, which has been entirely over hauled, repainted and repapered. Not only this, but it has been refurbished and the walls are decorated with beautiful pictures. It makes it most inviting and attractive.

T. F. Ishler, of Hublersburg, moved his family to Centre Hall. Mr. Ishler, about the middle of this month, intends going to Seebert, Pocahontas county, West Virginia, and join his brothers, Messrs. P. S. and G. W. Ishler, who have been in the lumber business at that point for the past two years or more. Mrs. Ishler will, for the present, remain with her mother, Mrs. Wm. Bradford.

MORE PLAIN TALK.
Mr. Murray Makes a Few More Plain Statements.

If the food digests properly, impure blood cannot exist, if the blood is pure, there can be no catarrh. Since catarrh is the result of impure blood, and impure blood is the result of a poor digestion, it stands to reason that to effect a cure you must remove the cause.

Mr. Murray says that if you use Vintenna and are not satisfied with results he will return your money. Get a bottle today and note the improvement from the very start.
