The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the night.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it.

Manor School Opened.

The opening of Manor school, west of Old Fort, along the Boalsburg road, and the resumption of the use of the old text books, is credited with a second outbreak of scarlet fever in that district, one of the children of David Snyder a pupil in that school, being ill with that disease at present. There were a number of cases of that disease, and one death in the district named during the winter. The school was closed, the school room fumigated, and it was thought that all danger had passed away.

All Co Over.

He is the representative of the construction company who contracted with Coburn parties to erect a large canning factory at that place. It is Mr. Twigg's opinion that Coburn is a favored locality suited to grow tomatoes, beets and the like—the products needed at a factory such as will be erected at that place.

A. J. Shook and M. B. Herring, Esq., of Spring Mills, were callers Wednesday morning, having stopped on their way to Bellefonte relative to business connected with the estate of the late John W. Shook. They were accompanied to the county seat by Mrs. C. Shook, Mrs. A. J. Shook, Miss Clara Decker, all of Spring Mills, and Mrs. Luther Royer, near Centre Hill. Planting Trees for Profit.

State Forestry Commissioner Rothrock began last week the work of planting 50,000 additional locust trees for the Pennsylvania Railroad at Conowingo. The 50,000 trees which were planted last fall are now being trimmed and a month will be required to complete the work. Arrangements have been made by the railroad company to plant, next fall, 200,000 more trees and the following spring 600,000 trees. Two thousand acres of land will be required and a tract of land one mile wide and two miles long will be covered by the trees.

These trees are being planted by the company for the purpose of producing cross ties and in the course of twenty years it is expected that 5,000,000 ties will be gotten from this vast forest.

What is being done by the railroad company can be done on a smaller scale by many individuals. There are many acres of unused territory that could be profitably planted to locust trees.

It's an ill ain that brings no opportunity to borrow an umbrella.

It doesn't require much politeness to invite a bill collector to call again.

A man may have engaging ways without contemplating matrimony. Every cloud may have a silver lining, but every opportunity is not gold.

David Barree, of Spring Mills, had his pension increased from \$17.00 to \$30.00 through the agency of Prof. W. A. Krise, of Centre Hall.

Hoffer street is in need of attention. A few days work done immediately will save many dollars expense. Much of the damage done on that street during the winter must be charged to oversight—ditches were not opened in the fall.

Mrs. Martha Orady is seriously ill at the home of her daughter, Mrs. Homer C. Crawford, Cooperstown, Pa., as the result of a tumorous growth that is gradually exhausting her vitality. MORE PLAIN TALK.

Mr. Murray Makes a Few More Plain Statements.

If the food digests properly, impure blood cannot exist, if the blood is pure, there can be no catarrh. Since catarrh is the result of impure blood, and impure blood is the result of a poor digestion, it stands to reason that to effect a cure you must remove the cause. Mr. Murray says that if you use Vintenna and are not satisfied with results he will return your money. Get a bottle today and note the improvement from the very start.
