Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose. Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, **Swamp-Root**. Dr. Kilmer's **Swamp-Root**, and the address, Binghamton, N. Y., on every bottle.

SCARLET FEVER IN MILLHEIM.

The Disease Claims Two Victims Early Monday Morning.
A pall was cast over Millheim Monday, when on that day scarlet fever claimed two victims—CARRIE REA HASSINGER, aged 13 years, FRANKLIN KNARR, aged 4 years. Scarlet rash, or a disease akin to it, had been prevalent in that town for some time, and as a result many children were attacked, but as there were no fatalities, little attention was given the matter.

Rea Hassinger was the daughter of Mr. and Mrs. Lewis Hassinger, a bright and comely child of thirteen years, and a faithful little worker in the United Evangelical church. Her illness was of but a few days' duration. Interment took place Monday at 3 p. m., Rev. Bair officiating.
Franklin Knarr, aged four years, was the little son of Elmer E. and Alice Knarr, Mr. Knarr being a painter and paper hanger. Death occurred at 5 o'clock a. m., and interment on same day at 6 p. m. Rev. J. N. Bair, of the United Evangelical church, officiated.

Children who are suffering from the disease at present are, Irene Davis, daughter of Frank Davis, dangerously ill; Ruth, sister of the Hassinger child who died; Florence Buck, daughter of Walter Buck, and two children of Harry Confer.

At this writing, Wednesday afternoon, the little sufferers are all reported to be improving.

Forty children are afflicted with the disease. The cases vary from very mild to the most critical.
