DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and Home of Swamp-Root dollar sizes are sold by all good druggists.

William Scholl, living on the Harper farm below Centre Hall, has been unable to look after his farm work since the opening of spring. At times he is confined to bed, and at other times he is able to walk about. The ailment, apparently, is rheumatism.

It is with regret that the Reporter announces the illness of John H. Weber, of this place, who for the past week has been a sufferer from typhoid fever. The sickness no doubt was contracted while staying at the home of his brother, in whose family the disease had been during the past year. At this writing (Wednesday) Mr. Weber is resting well.

Sunday a jolly crowd composed of Misses Rebecca Heckman, Della Heckman, Jennie Brown, Edna Mallory, Julia Lamb, accompanied by Will Brown as an escort, drove to Spring Mills where they partook of a sumptuous supper prepared by Mr. and Mrs. Robert Smith at their beautiful home at the above mentioned place. They arrived home about midnight.—Bellefonte Daily News. On reaching Centre Hall this party found itself drenched to the skin, having been overtaken by a brisk shower of rain. The kindness of Mrs. H. W. Kreamer enabled the young ladies to dry their belongings by the side of a hot range, and later proceed, in good spirits, on their pleasure trip.
