Few Dentists in South America. "Philadelphia turns out, on an aver age, over 300 dentists every year," said a young member of the dental profession. "Of course, a great many of them come here from all over the country, and even from foreign countries, and when they are through with their studies they return to their homes. For my part, I've about made ep my mind to migrate to South America, where the opportunities are practically unlimited. Take the city of Buenos Ayres. It has a population of over \$1,000,000, with only about fif. ty dentists. It is a cosmopolitan community, too, English, Germans and Italians having located there in great numbers. Miss Gannon, Sec'y Detroit Amateur Art Association, tells young women what to do to avoid pain and suffering caused by female troubles.

" DEAR MRS. PINKHAM : - I can conscientiously recommend Lydia E. Pinkham's Vegetable Compound to those of my sisters suffering with female weakness and the troubles which so often befall women. I suffered for months with general weakness, and felt so weary that I had hard
work to keep up. I had shooting pains,
and was utterly miserable. In my distress I was advised to use Lydia E.
Pinkham's Vegetable Compound, and it was a red letter day to
me when I took the first dose, for at
that time my restoration becam that time my restoration began. In six weeks I was a changed woman, perfectly well in every respect. I felt so elated and happy that I want all women who suffer to get well as I did." Clara Meyers, of Pottstown, aged 24 years, was committed to jail at Reading by United States Commissioner William J. Young, after a hearing, in default of bail, charged with violating the postal laws. She was arrested by Marshal Peter D. Helms on oath of Postal Inspector Rob ert J. Giblons, who charged that she mailed a letter from Allentown to Miss Bertha J. Stanton, of Gettysburg, containing a number of un-

mailable sentences. Annie Riley, a 13-year old daughter of James Riley, of Dickson City, became ill with pleurisy about a year The family physician found the whole left side of the child's body over the lung bloated. He removed the matter and the girl began to get well. Soon, however, a second gathering appeared, which decayed the ribs on the left side. During this second illness the girl's heart moved over to the right side some six inches from its proper position. The girl was taken to a Scranton hospital. where physicians found it necessary to remove four whole ribs and parts of four others.

The physicians restored the heart to its natural position, but the operation left the child in a weakened condition and for two weeks she was in a dangerous condition, but now it is believed she will recover.

County Detective Berry is working on a new clue in the Essington murder mystery. Edward J. B. McLaughlin, of Essington, says that, early Sunday morning three weeks ago, while he and his wife were walking along the Southwestern Railway, he noticed a man and woman walking across the field to the thicket where the Jead body of the man was afterwards found. Standing behind a tree on the south side of the thicket was a tall man. After the man and woman entered the thicket the tall man dropped to the ground and com-menced to crawl toward the spot Nothing was thought of the occurrence by either of the McLaughlin's until the finding of the body. "I came here a few years ago suffering with calarrh of the kidneys, in search of health. I thought the climate would cure me, but jound I was mistaken. But what the climate could not do Peruna could and did do. Seven weeks' trial convinced me that I had the right medicine, and I was then a well man. I know of at least twenty friends and members of the lodge to which I belong who have been cured of catarrh, bladder and kidney trouble through the use of Peruna, and it has a host of friends in this city."--SAMUEL R.
