ALFALFA Will grow anywhere if the conditions are made right, and give from 40 to 50 dollars worth of Protein to the acre. Absorption of the proper soil bacteria is the most common difficulty, and is easily overcome by sowing 200 to 600 lbs. of impregnated soil to the acre, at or after seeding. I can furnish soil from a fifteen year old field that gave over 4 tons of hay to the acre last year, and where the bacteria is very abundant. Send for prices.

## Something New!

Electro Plating Plant  
at Rebersburg, Pa., Plating Gold, Silver, Nickel, Copper, Brass, and Bronze—The Only Plant of the Kind, Except Roger Bros., in All the Country Fitted for Plating Jewelry and Table Ware, and All Other Kinds of Plating.

After taking a trip to Cincinnati and buying a Grey's Plating outfit, and after using that plant I was disappointed that I had bought a toy plant and so I threw it aside and then bought a plant made by Van Winkle, New York—the same process that Roger Bros. have, but I operate on a smaller scale.

Since in the business, and after doing so much plating and getting in dip work every day, would say to my friends that there are very many goods called plated that are only dipped, especially cheap goods which we can detect in handling.

### Fraudulent Stamping on Goods.

We are taking these goods and stripping them of such plates and plating them with three plates of silver which makes them wear from 10 to 20 years, and which we guarantee to have 99 per cent. of pure silver. Our gold is 21 karat.

### Only the Pure Plates Used in All Our Metals.

Why buy cheap goods when you can take your old goods and have them plated with better material than the new—and done at home where if they are not as represented we will either replace them or refund your money. This we guarantee to do, which is costing you less than one-half the price of the same grade of new.

We were several hundred pieces behind orders ever since we started, but have added new help and will be pleased to have you send us some goods as a sample. We will mail you a catalogue of prices free.

Any one wanting the Grey's Plating outfit mentioned above can have it for \$10.00, which cost us \$14.00 and has been used very little. It is a nice toy of its kind for plating in your home where you can plate your own ware.

A big advance will be paid the right party to edit, et. and advertise our plant.

We have had an expert plater with us. He taught us to do the finest kind of work and says we have one of the best equipped plants in the state and are doing work for almost half what others charge for such work.

For each lady securing \$5.00 worth of work for us we will do \$1 worth of plating free. Ladies take advantage of this liberal proposition while it lasts. The proposition is limited to \$100 worth of work as in advertisement.

Any one wishing plating done can leave orders with G. W. Bushman, Centre Hall. Get circulars at his place of business.

P. O. Box 43. Rebersburg, Pa.

## BARNS BURNED.

The Large Barn of M. L. Rishel, Esq., Destroyed Saturday Evening.

The large barn on the farm of M. L. Rishel, Esq., was burned to the ground Saturday evening. The origin of the fire is supposed to have been spontaneous combustion.

Wm. F. Rishel, a son of Squire Rishel, last spring, began operating the Rishel farm, and he had just about completed storing his first and large crop of hay when the men in the field discovered the barn to be ablaze. Hurrying to the barn, the men managed to remove from the stable a colt and several young cattle, thus saving all the stock. Several hogs in a nearby pen were burned to death.

Although it was daylight, the glare of the wicked flames soon attracted many people from various sections, but there was nothing to do but watch the flames lick up the valuable property and protect the dwelling house from the flying embers.

There was actual insurance of \$750 on the barn, and \$100 on various grains, etc., held by Squire Rishel in the Grange Company.

Wm. F. Rishel, who lost all his farm implements—except a hay rake was insured in the Lykens Valley Company. The extent of his loss has not been ascertained.

Mr. Rishel will rebuild the barn as soon as possible.

## Business Men's Picnic Aug. 18.

Mrs. Robert C. Jackson is very ill at this writing with heart trouble and dropsy.

Mrs. Ellen Garbrick, of Rock View, is having her house beautified by a fresh coat of paint.

## WHAT'S THE DIFFERENCE?

Mr. Murray Tells You It Costs Nothing unless it Cures.

It makes no difference what may have caused you to lose flesh, to be nervous and irritable, to rise in the morning feeling languid and dull, to be despondent and dependent. The all-important question to you is: "How can I regain my health? How can I become my former self?" So strong is Mr. Murray's faith in the merits of Vintena that he is ready to promptly refund the money if, after a few days' use, Vintena fails to benefit. We challenge you to test our guarantee. For sale by J. D. Murray.

## LOCALS.

Why not advertise in the Reporter? This has been a poor week for hay-makers.

One and forty-hundredth inches of rain fell Tuesday.

J. S. Rowe is contemplating a business trip to Philadelphia and New York.

John Murray, of Lemont, is visiting his brother, Druggist J. D. Murray, in this place.

United Evangelical appointments are: Tusseyville, morning; Egg Hill, afternoon; Centre Hall, evening.

Appropriate children's services will be held in the George's Valley Lutheran church Sunday morning.

Miss Bertha McCormick returned from Bellefonte Wednesday morning after visiting in that place for several days.

Mrs. J. A. Weaver, of Harter, Va., was in town Tuesday. Mrs. Weaver came to her old home at Colyer to visit relatives.

J. Witmer Lee is credited with painting the farm house of Mrs. Elizabeth Lingle, west of town in a most artistic style.

Mrs. H. J. Boon, of Hartford, Connecticut, was an arrival at the home of her parents, Mr. and Mrs. B. D. Brislin, Tuesday evening.

Tiny toads—thousands of them—fell like rain Tuesday night in Chester. The shower did not last long, and was limited to one city block.

Misses Eleanor and Mabel Long, daughters of Mr. and Mrs. C. P. Long, of Spring Mills, were guests of their cousin, Gross Allison, Sunday.

Father Sellers, of Linden Hall, accompanied by Mrs. Meyer and daughter, of the same place, were guests of Merchant and Mrs. W. H. Meyer Tuesday.

Wednesday morning W. A. Sandoe went to Pittsburgh where he will spend some time with his sons, James and Will, who are employed by the railroad company.

The rain Monday and Tuesday did considerable damage to the corn crop in this immediate vicinity. Many corn stalks were blown over and many others broken off.

Read Henry T. Finck's article in the August Woman's Home Companion on "Which is the Beautiful Sex?" He has a scientific discussion of the relative beauty of the sexes.

Albert Thomas Igen, of Tylersville, was elected teacher for the Grammar grade of the Loganton school. Mr. Igen was principal of the High School in this place several years ago.

Thirteen hundredth of an inch of rain fell Wednesday morning at about four o'clock, making a total for Monday, Tuesday and Wednesday of two and thirteen-hundredth inches.

The order for fifteen hundred copies of the history of the 148th Regiment, P. V., is likely to be increased to two thousand copies. A meeting will be held shortly to consider the matter.

C. D. Emerick came home Wednesday from the Pittsburgh railroad hospital where he had been confined for several months owing to an injury received to his foot and leg while working in the Pittsburgh railroad yards.

One of the most tastily painted homes in Centre Hall is that of D. J. Meyer. The body is straw color trimmed with white and gables in green. The work was executed by John H. Krumbine and was done in true mechanical style.

J. B. Ream, of Farmers Mills, was in town Tuesday, and among other things expressed regret over the loss sustained by Squire Rishel. Mr. Ream is one of the Reporter's appreciative readers, and never fails to keep the figures on his label up to date.

The picnic arranged for next Thursday by the various Sunday schools in Centre Hall should be attended by every person who can possibly give a day at this time for recreation. It will well repay the older people who have the burden of preparation on their shoulders to encourage the children to attend this gathering.

Academy Damaged by Fire.  
The Bellefonte Academy, one of the oldest preparatory schools in the State, was partially destroyed by fire Tuesday morning. The fire broke out in the third story, in the centre of the building and soon the entire upper story was burned away, while both wings were badly damaged. The loss is from \$25,000 upward.
