The figures opposite your name on label of paper indicate the date to which your subscription is paid. When no date is given the date implied is July, 1900: when no month is given the month implied is July—thus: "00" means July, 1900; "01", means July, 1901; "04" means that your subscription is paid in advance to July, 1904. Other months than July are indicated by abbreviations. When you pay your subscription always examine your label, and when a notice appears that corrections have been made, compare and report immediately if you have not been given proper credit. No receipts for subscription will be sent by mail unless by special request. The change of date on label ought to be sufficient evidence. Money by mail is reasonably safe.
