DEMOCRATIC NATIONAL TICKET.

For President: ALTON B. PARKER, New York. For Vice-President: HENRY G. DAVIS, West Virginia.

DEMOCRATIC STATE TICKET.

For Justice of Supreme Court: SAMUEL GUSTINE THOMPSON, Philada.

DEMOCRATIC COUNTY TICKET.

For President Judge: ELLIS L. ORVIS, Esq., of Bellefonte. For Assembly: J. W. KEPLER, of Ferguson. JOHN NOLL, of Bellefonte. For Prothonotary: ARTHUR B. KIMPORT, of Harris. For District Attorney: W. G. RUNKLE, of Bellefonte. For County Surveyor: J. H. WEITZEL, of Bellefonte.

THE LOCAL CAMPAIGN.

The success in November of the Democratic ticket in Centre county depends entirely upon the willingness of the Democratic sluggard to work between now and the close of the polls on Tuesday, November 8th. This assertion is made because it is known that Centre county is truly Democratic; that the recent defeats were accomplished because of the inactivity of hundreds of Democrats, who may be termed sluggards in politics, but sluggards in no other sense.

Arouse the latent forces in the Democratic ranks, and success is assured.

The all important step in the direction of enthusing the rank and file of the Democratic party was accomplished when honest, capable men were nominated for the various local offices, and it now remains for the Democrats of Centre county to continue their good work by actively canvassing every district—see that every Democratic vote is registered, his taxes paid, and that he will cast his ballot on election day.

The Williamsport Sun, the able supporter of Democracy, and who jealously guards the rights of the people in Williamsport and Lycoming county, now receives the Associated Press afternoon service.

Wasn't it Terrible Teddy Roosevelt who said of the late William McKinley along abut the time the Spanish War was threatening that he "had about as much back bone as the chocolate man on the street candy stand."

Judge Parker, in order to go before the voters without the slightest odor of Imperialism about him, in a letter in answer to an inquiry, has positively stated that the Philippine Islands should be free and independent, the same as Cuba. There is nothing Imperialistic about the Democratic candidate for president.

The Democrats would probably have carried Delaware anyhow this year, but the nomination of distinct State tickets by the two Republican factions assures the election of a Democratic Governor and member of Congress, and gives the Democrats greater assurance of carrying the State for Parker and Davis. While his motives are bad, Addicks has his uses.

Mr. Farmer: Do you wonder why farm implements are so expensive; why it takes a fortune to purchase the implements necessary to operate a small farm in Penns Valley? This is the reason: There is a tariff of forty-five per cent on farm machinery, and A. B. Farquhar, the well-known manufacturer, of York, Pa., has repeatedly stated that this tariff is absolutely unnecessary to protect home industries.

The Review of Reviews, in the Presidential campaign, fills a place in magazine literature that no other publication attempts to fill. It is a complete and accurate record of all the strategic moves in the game of national and State politics. The July and August numbers dealt with the careers and personalities of the candidates; the September number treats of the plans and methods of the managers, the personnel of the national committees, and the actual work of the canvass.

Are you registered?
