VICTORY OF JAPS AT LIAOYANG

Kuropatkin in Full Retreat and His First Siberian Army Cut Off---25,000 Russians in Danger of Capture.

Liaoyang (By Cable) .- The seven days' gigantic conflict around Liaoyang between General Kuropatkin's Manchurian armies and the Mikado's three armies under Marshal Oyama, the Japanese shelling or from the efin which the combined fighting forts of the Russians to destroy their strength was nearly half a million men and several thousand guns, has cul- of injuring the city as a future Japanminated in a decisive victory for the ese base. Japanese.

General Kuropatkin is in full retreat northward, after sustaining enormous losses, including more than 35,-000 men killed and wounded, the First Siberian Army, numbering 25,000 men, commanded by General Stakelberg, surrounded and cut off, and his strongly fortified position with valuable stores and guns abandoned. Before evacuating Liaoyang the Russians blew up the magazines and set fire to the buildings containing the army stores and provisions. Later the Japanese entered the city.

make another stand until reinforced. succeeded in isolating it. He will probably continue on to Muk-

General Kuropatkin blames the disaster to the First Siberian Corps under General Stakelberg for failing to flank. obey his orders and cross the Taitse River when the commander-in-chief decided the whole army should retire to the northern side.

The Japanese losses in the battles about Liaoyang are estimated at 30,-000 men killed and wounded.

The retreat of Kuropatkin will be disheartening to the Port Arthur garrison, which can no longer hope for relief from his forces. Meanwhile the Japanese continue their attacks upon the fortress and a number of the Russian outer forts are now in their pos-
