DEMOCRATIC NATIONAL TICKET.
For President:
ALTON B. PARKER, New York.
For Vice-President:
HENRY G. DAVIS, West Virginia.

DEMOCRATIC STATE TICKET.
For Judge of Supreme Court:
SAMUEL GUSTINE THOMPSON, Philada.
For Congress:
CHAS. W. SHAFFER, of Cameron County.

DEMOCRATIC COUNTY TICKET.
For President Judge:
ELLIS L. ORVIS, Esq., of Bellefonte.
For Assembly:
J. W. KEPLER, of Ferguson.
JOHN NOLL, of Bellefonte.
For Prothonotary:
ARTHUR B. KIMFORT, of Harris.
For District Attorney:
W. G. RUNKLE, of Bellefonte.
For County Surveyor:
J. H. WETZEL, of Bellefonte.

It matters not from what standpoint he is judged, Mr. Kimfort, the Democratic candidate for prothonotary, is superior to his opponent. Mr. Kimfort will at once be capable of taking charge of the office, having had sufficient experience as deputy to fit him for that position. He is sober and industrious, kind and honest.

Republican Senatorial possibilities in this, the thirty-fourth district, are ex-Congressman William C. Arnold, of DuBois; ex-Congressman A. C. Hopkins, of Lock Haven, and ex-State Treasurer Frank G. Harris, of Clearfield. Centre county has a half dozen lawyers willing to make the run provided Congressman Dresser puts up the "stuff."

The selection of Phil. D. Foster as Republican county chairman is not very enthusiastically received by Republicans on the South Side of Centre county. The Republicans on this side don't know where Foster is at. They voted for him for treasurer because he represented Hastings, now he turns around and has accepted the leadership in a campaign in which, if successful, Judge Love will be the chief benefactor. The Love followers can't understand how an arch-ingrate can be of much service to them.

From the performances and quoted sayings of Judge Love he's on the bench for the money that is in it—that is, money is the first consideration; if he can make himself believe that he can earn more ready cash at the bar, he would prefer being at the bar; when conditions were unfavorable at the bar, he was very willing to be on the bench—because there was more money in it.

Now Judge Love can have his own way in this matter—either to serve on the bench or at the bar—until his present term expires. After that his pleasure will no longer be considered, in other words, his retirement will be enforced.

It is plainly visible, when the views of the judge from a pecuniary standpoint are considered, that Centre county during the past ten years, has not had an ideal judge, for a judge who estimates himself only in cash is not the safest man to dispense justice.

The response of the wheat markets to the official confirmation by the Federal Department of Agriculture, of the recent reports of damage to spring wheat has been a further rise in prices since Saturday of 7 to 8 cents per bushel, and there have been corresponding advances in quotations for flour. Compared with figures current at the beginning of the crop year, July 1, wheat for September delivery has advanced 36 cents per bushel in New York; 23 cents in Chicago, and 34 cents in Minneapolis. These prices are fully 20 cents or more above the figures quoted a year ago. Considering the fact that the worst reports do not indicate any deficiency of supplies for domestic consumption the advances already established would appear to have been as great as the situation justifies; but as there will be very little wheat available for export the speculators seem to be disposed to force prices to a point at which foreign buyers will not be tempted to deplete the supply.

Tackled Out.

This is a familiar expression of many men and women after a day's work, whether it be brain work or bone labor. Tired out nerves and muscles, brain fagged, energy gone, sleeplessness, nervousness, irritability, are the result of overwork. These are the warning signs that repairs to the system are demanded. To correct any of these conditions take Vitena, and if you do not note improvement Mr. J. D. Murray will refund your money, as he guarantees every bottle of Vitena. It costs you nothing if it fails.
