

TERMS.—The terms of subscription to the Reporter are one dollar per year in advance.
ADVERTISEMENTS.—20 cents per line for three insertions, and 5 cents per line for each subsequent insertion. Other rates made known on application.

RESOLUTIONS AND CARDS OF THANKS.—Resolutions of respect will be charged for at the rate of one-half cent per word, (payable in advance) the minimum charge being \$1.00. Cards of thanks, two cents per word, minimum charge, fifty cents, also payable in advance.

The figures opposite your name on label of paper indicate the date to which your subscription is paid. When no date is given the date implied is July, 1904; when no month is given the month implied is July—thus "04" means July, 1904; "01", means July, 1901; "04" means that your subscription is paid in advance to July, 1904. Other months than July are indicated by abbreviations. When you pay your subscription always examine your label, and when a notice appears that corrections have been made, compare and report immediately if you have not been given proper credit. No receipts for subscription will be sent by mail unless by special request. The change of date on label ought to be sufficient evidence. Money by mail is reasonably safe. There have been no losses in this date.

Curtain Poles and Stair Rods in brass and wood. Also a full line of Queensware and Glassware.
My grocery department is very complete and contains everything in that line necessary for family use.
Wanted, immediately, apples, potatoes, poultry and best hides, and will pay cash or trade.
Be sure to examine my immense stock before purchasing elsewhere. No trouble to show goods.
ALFALFA will grow anywhere if the conditions are made right, and give from 10 to 50 dollars worth of Protein to the acre. Absence of the proper soil bacteria is the most common difficulty, and is easily overcome by using 20 to 60 lbs. of improved soil to the acre, at or after seeding. I can furnish soil from a fifteen year old field that gave over 4 tons of hay to the acre last year, and where the bacteria is very abundant. Send for prices.

THE SHARPLESS TUBULAR CREAM SEPARATOR
is a short cut, saving half the dairy work. It is a low-down machine. There is no drooping in washing the simple three piece Dairy Tubular Separator bowl. Avoid bucket bowls. They are all full of troublesome parts. Twenty-six sizes—take the one that will accommodate your herd. Considering the durability of the machine, the price is the lowest of any separator on the market. For further particulars write or apply in person to
