Lungs weak as a result of lingering coughs; nerves exhausted fighting the severe colds of winter; energy gone. For these conditions physicians prescribe Vintens. Why not test it on our guarantee? Here is our Challenge.
Buy a bottle of Vintens, take as directed, and if, after a few days, you do not feel greatly benefited; if you do not feel that it has strengthened your nerves, produced restful sleep, improved your digestion, and in fact made you feel that life's worth living, your money will be promptly refunded.
Mr. Murray gives his guarantee with every bottle.
