Carried All Doubtful States In the Country.

### EMPIRE STATE IN THE LEAD

New York Gives a Plurality of 185,000 For Roosevelt and Fairbanks—Connecticut, Delaware, New Jersey, Indiana and West Virginia Also Endorse the President's Administration. Parker Ran Behind Bryan's Vote of Four Years Ago.

New York, Nov. 9.—The Republican national ticket has been elected by a vote in the electoral college that will exceed that of 292 given Mr. McKinley in 1900. The result of the balloting was astounding even to the most sanguine of the Republican managers.

Democratic successes are confined to the solid south, in which Kentucky is included, and Mr. Parker has not carried a single state which did not give its vote to Mr. Bryan four years ago. Unofficial returns indicate that he has lost some of those which the Nebraska candidate held for his party.

### 383,195 IN PENNSYLVANIA

Republicans Also Elect Twenty-nine of the Thirty-two Congressmen. Philadelphia, Nov. 9.—The Republicans have made an almost complete sweep in Pennsylvania, carrying the state for Roosevelt and Fairbanks by 383,195, a gain of 94,762 over McKinley's plurality, and electing 25 out of 29 state senators and 29 of the 32 congressmen. They have also elected 175 of the 204 members of the house of representatives. This gives them control of both branches of the legislature by a large majority, insuring the election of Governor Pennypacker's appointees, Philadelphia C. Knox, for United States senator, to succeed the late M. S. Quay.

John P. Elkins, the Republican, is elected state supreme court judge by a majority almost as great as that cast for the Republican national ticket.

The Republicans have also carried nearly all the judicial districts in which elections were held for common pleas judges, and the five counties in which associate judges were chosen.

The following state senators have been elected, those marked with \* having been re-elected:

### NEW JERSEY FOR ROOSEVELT

Republican National and State Tickets Elected By Safe Pluralities. Trenton, N. J., Nov. 9.—The result in New Jersey has been a veritable landslide and President Roosevelt's plurality will approach, if it does not equal, the plurality obtained by McKinley four years ago, when the state was carried by the Republicans by 56,889. Edward S. Stokes, the Republican candidate for governor, against whom a vigorous campaign was made by Charles C. Black, the Democratic candidate, on an equal taxation platform, runs behind Roosevelt, but will have a plurality of 30,000. The Republicans have succeeded in defeating William Hughes, the Democratic congressman from the Sixth district, and also claim to have defeated Congressman Allen Denny, who was a candidate for re-election in the Ninth district. Mr. Hughes' successful opponent was Henry C. Allen. The Republican candidate in the Ninth district was Marshall Van Winkle. With the defeat of Hughes and Denny the Democrats will have but one congressman from New Jersey, Allan McDermott, of the Tenth district.

The state legislature will show increased Republican membership, and will be overwhelmingly Republican on joint ballot. This assures the re-election of John Kean to the United States senate. Of the seven candidates for state senate, the Democrats elected one in Hudson county, and the senate will stand as last year, 14 Republicans and seven Democrats. The Republicans have gained assemblymen in Salem, Somerset and Union counties, and possibly in Monmouth county. With the Republicans elected from Monmouth county the assembly will stand 47 Republicans to 15 Democrats. Last year there were 37 Republicans and 25 Democrats.

In Ocean county, where there was a bitter Republican factional fight, Senator Shinn was re-elected by 509 plurality.

In Camden Charles H. Ellis, Republican, defeated Joseph E. Nowrey, Democrat, the present incumbent, for mayor by about 1600 plurality.

In Camden Charles H. Ellis, Republican, defeated Joseph E. Nowrey, Democrat, the present incumbent, for mayor by about 1600 plurality.

During an election row in Camden James Brown, aged 41 years, colored, was struck in the head with a club and died several hours later in the Cooper hospital. No arrest has been made.

**Connecticut Republican.**  
New Haven, Conn., Nov. 9.—President Roosevelt and the entire Republican ticket carried the state by an overwhelming plurality, which was even larger than the most sanguine of the party predicted. It is estimated that President Roosevelt's plurality will reach almost the 25,000 mark, which is several thousand ahead of McKinley's figures in 1900.

The state ticket was not far behind, and from Henry Roberts, the candidate for governor, down there was a clean sweep. Congressmen in each of the four districts and the congressman-at-large were all re-elected, and the legislature will remain Republican by a ratio estimated at about 2 1/2 to 1, which is a slight gain over the ratio of two years ago.

**New Hampshire's Vote.**  
Concord, N. H., Nov. 9.—This state has preserved unbroken its line of Republican national victories, which began with Fremont in 1856, and has given its electoral vote to Roosevelt by approximately 20,000. Congressmen Solloway and Currier are re-elected by pluralities ranging from 7000 to 9000, and McLane, Rep., for governor leads Holts by about 15,000. The legislature will be strong Republican in both branches. Senator Gallinger, chairman of the Republican state committee, claims the election of at least 22 of the 24 senators, and between 280 and 300 of the 393 members of the house.

**West Virginia Reports Meagre.**  
Wheeling, W. Va., Nov. 9.—Returns from West Virginia are unusually meagre, and it is impossible to accurately outline the result except in the most general terms. The belief is that Roosevelt and Fairbanks have carried the state by a majority exceeding 10,000 and probably more. Meagre reports from a number of counties show that nearly everywhere the Republicans have sustained only slight losses as compared with their previous majorities.

**Democratic Gains in Kentucky.**  
Louisville, Ky., Nov. 9.—With one-third of Kentucky's 1896 precincts reported, the vote indicates a majority in the state for Parker of from 12,000 to 14,000. The figures of the Democratic and Republican managers show but little variance from this result. Kentucky in 1900 gave Bryan 8090 plurality. The returns from 683 precincts show a plurality of 16,026 for Parker.

**The Vote in Mississippi.**  
Jackson, Miss., Nov. 9.—Returns coming in show that between 60,000 and 75,000 votes were cast, and the opposition to the Democratic party will poll between 10,000 and 11,000. The Democratic majority for Parker and Davis will be in the neighborhood of 50,000. Mississippi returns eight Democratic congressmen, the Republicans making no opposition.

### HOW PARKER TOOK IT

**Congratulated Roosevelt and Took His Defeat Philosophically.**  
Esopus, N. Y., Nov. 9.—Judge Parker conceded the election of President Roosevelt at 8.30 last evening, when he received a bulletin that the Democratic national headquarters had already admitted that every doubtful state had been carried by the Republican national ticket. He appeared to be not at all cast down by the result, although it is known that he greatly deplored his overwhelming defeat in his own state. He received the discouraging news in his study, where he had been smoking with two of his neighbors. The bulletin from Democratic headquarters concerning Judge Parker's defeat was given to the judge by the Associated Press representative. When asked if he had any statement to make, he pulled a telegraph blank toward him and wrote hastily for a moment. Then he said:

"I am going to send this telegram to President Roosevelt." The message was dispatched at once. It was as follows:

"The President, Washington, D. C.—The people by their votes have emphatically approved your administration, and I congratulate you."

The demeanor of Judge Parker as he heard the bulletins read was of cheerful resignation. He wore the air of one who could say if he would: "I will die game," and die game he did. He discussed the returns with his friends and compared the figures with former years. It might have been some other man's defeat for all the concern he seemed to feel.

At 10 o'clock Judge Parker received a telegram from President Roosevelt, as follows: "I thank you for your congratulations."

Judge Parker retired at 11.40 o'clock last night, declining to make any statement beyond that indicated by his telegram to President Roosevelt.

### ROOSEVELT'S STATEMENT

**Will Not Accept Another Nomination Under Any Circumstances.**  
Washington, Nov. 9.—President Roosevelt, after the election returns clearly indicated the result, issued the following statement:

"I am deeply sensible of the honor done me by the American people in thus expressing their confidence in what I have done and have tried to do. I appreciate to the full the solemn responsibility this confidence imposes upon me, and I shall do all that in my power lies not to forfeit it. On the 4th of March next I shall have served three and one-half years, and this three and one-half years constitutes my first term. The wise custom which limits the president to two terms regards the substance and not the form, under no circumstances will I be a candidate or accept another nomination."

### RESULT IN DELAWARE

**Republicans Win On National and State Tickets.**  
Wilmington, Del., Nov. 9.—Returns at hand indicate that Roosevelt has carried Delaware by about 2500 majority, and that the Republicans have elected their entire state ticket by majorities but little smaller.

Two-thirds of the districts in New Castle county, where the largest Democratic gains were expected, show a Republican majority of 500. Kent county's Republican majority will be about 500, while the Republican majority in Sussex county promises to be at least \$1500.

In New Castle county the Democrats probably elected seven assemblymen and the Republicans seven, with one district in doubt. Including the hold-over senators, five out of seven are Republicans. This insures a Republican legislature on joint ballot.

**Missouri in Doubt.**  
St. Louis, Nov. 9.—This morning the results of the election in Missouri and in St. Louis were in doubt. Both sides claimed victory. The Democratic state committee claimed that the state had been carried by a majority of 35,000 and St. Louis by 5000, and that the legislature will be Democratic by a majority of 40, assuring the re-election of United States Senator Cockrell. On the other hand, State Republican Chairman Niedringhaus was equally assertive that St. Louis has gone Republican by 20,000, and the state majority would reach 5000. He felt confident that final returns would show at least five Republican congressmen elected.

**Republican Landslide in Michigan.**  
Detroit, Nov. 9.—Michigan was the scene of a veritable Republican landslide. Roosevelt and Fairbanks have carried the state by an unprecedented majority, variously estimated at from 100,000 to 150,000; Fred M. Warner and the Republican state ticket are elected; at least 11 of the 12 congressmen from Michigan are Republican, and the legislature is overwhelmingly Republican, insuring the re-election of United States Senator J. C. Burrows.

**Virginia For Parker.**  
Richmond, Va., Nov. 9.—The election in Virginia was absolutely without disturbance so far as has been heard. The Democratic majority on the presidential ticket will be about 25,000. Nine Democratic congressmen out of a total of 10 have been chosen. Stemp, the Republican incumbent in the Ninth district, apparently is re-elected by a majority of about 1200.

**Texas 190,000 Democratic.**  
Austin, Tex., Nov. 9.—Returns show that the vote cast will hardly exceed 375,000, of which 250,000 were cast for Parker. 60,000 for Roosevelt and the balance scattering. All Democrats for congress were elected in Texas.

### MINNESOTA REPUBLICAN

**Roosevelt Will Have 100,000 Plurality, But Democratic Governor Elected.**  
St. Paul, Minn., Nov. 9.—President Roosevelt received a record-breaking plurality in Minnesota, going far beyond McKinley's margin of 77,000 four years ago. On the face of the returns so far received the Republican electoral ticket will have a plurality of over 100,000. Parker's vote was much smaller than that received by Bryan four years ago, and Roosevelt was especially strong in counties which of old were Populist strongholds.

Despite the tremendous plurality for Roosevelt, the Democrats apparently have elected their candidate for governor, John A. Johnson. At Democratic headquarters Johnson's election was claimed by a plurality of from 20,000 to 22,000. Chairman James A. Marlin, of the executive committee of the Republican state central committee, claimed the election of Robert C. Dunn, the Republican candidate, but admitted that the result would be close. The Republicans elected the balance of their state ticket. The Republicans will have a majority on joint ballot in the legislature, ensuring the election of a Republican successor to United States Senator Moses E. Clapp.

**RESULT IN MASSACHUSETTS**  
Gives Roosevelt 82,000 Plurality and Elects Democratic Governor. Boston, Mass., Nov. 9.—Although the Republicans carried Massachusetts for President Roosevelt by 82,000 plurality, they lost the governorship for the first time since 1892, William L. Douglass, of rockton, defeating Governor John L. Bates, of this city, by about 25,000 plurality.

The balance of the Republican state ticket is claimed by the Republican state committee, though the figures were not available. The Democrats lost the Third district, and the delegation to the next congress will stand 11 Republicans to three Democrats.

The Republicans made slight gains in both branches of the legislature, which will select two United States senators. Governor Bates lost heavily throughout the state, and especially in the manufacturing communities and this city.

**Indiana's Big Plurality.**  
Indianapolis, Nov. 9.—Indiana has been carried by the Republicans by from 45,990 to 55,000. The legislature will be Republican by about 59. All the nine Republican congressmen are re-elected by increased majorities, and the Republicans claim also the second and 12th districts, now represented by Representatives Miers and Robinson, both Democrats. They are in doubt, the legislature, which will meet in January, will elect two United States senators, one to succeed Vice President-Elect Charles W. Fairbanks. Senator Beveridge will be elected. The Republicans have almost if not quite doubled the McKinley plurality in the state of 26,467 four years ago.
