Millhelm.

F. P. Musser, Esq., Monday morning left for Slate Ridge where he will join a hunting party from York to put in a week hunting deer.

H. Stover, who has been in one of the Dakotas for almost a year, is here with "sack and pack," and will occupy the house on Penn street vacated by William Walker. Mr. Walker has gone to Wilkesburg where he has secured employment.

Mrs. T. F. Meyer and son Paul were guests of Mr. and Mrs. Wallace Kerstetter, Sunday.

Milton Kern, of Bellefonte, was an arrival in this place Monday morning. Jacob Detweiler, a former resident and farmer of Penn township but now of near Tusseyville, was in town Monday. Mr. Detweiler, with the exception of being a shade lighter about the head, looks quite as he did when he lived on the Dinges farm, near town. Rumor has it that some one will start a knitting factory in this place.

Mrs. H. T. Stover left last week for a two weeks' visit with her nephew, Royer Snook, in Philadelphia. Henry Phillips, of Aaronsburg, is attending to her store during her absence.

J. C. F. Metz, of Monaca, in company with four friends from the same place, was here to do some bird shooting. They returned home Wednesday.

Mrs. W. H. Miller and daughter, Ina, are visiting at the home of Mrs. J. F. Harter, at State College.

Miss Harriet Miller, who has been staying in Williamsport for the last few years, recently became very ill of appendicitis. After receiving proper treatment in the hospital there she has recovered sufficiently to admit of removal, and on Monday was brought to the home of her mother, Mrs. J. A. Miller, in this place.

W. B. Hill, wife and little daughter, of White Rose, New York, a skilled evaporator operator, returned to his home after having been in town six or more weeks.

HOW THE HUNTERS FARED.

Deer, Bear and Birds Fall Before Penns Valley Hunters

Game of all kinds fell before the guns of the Penns Valley hunters who scoured the irregular mountains that constitute what is known as the Seven Mountains. The game seems rather plentiful, but the deer, bear and birds bagged by the various hunting parties and individuals is scarcely up to the number recorded last year.

The Bradford hunting party, the third generation now participating, camped for two weeks along Slate ridge. They have a splendid camping equipment, and when around the hearth are a jolly good set of fellows as can be attested by Samuel Shoop and the writer, who enjoyed the hospitality of two hunters for a part of two days. One would scarcely expect it, but the visitors to the Bradford Hunting Camp found the table laden not only with the necessities of life, but with all the dainties imaginable.

A short distance south of the camp, under a clump of thick evergreens, was the spot that appeared most to the instinctive hunter—it was the place where on gambrels hung two deer and a fine black bear.

The deer were killed by Philip Bradford, of Linden Hall, and George W. Glace, of Centre Hall, and the bear by Albert Bradford, Pine Grove Mills.

The party consisted of the following: George Bradford, Frank Bradford, Philip Bradford, Clyde Bradford, Albert Bradford, Dr. J. K. Hosterman, J. C. Kuhn, W. Slack, J. F. Smith, George Glace, William Homan, John Coble, Charles Neff, Isaac Shawyer, John Kearr, Domer Emerick, cook, E. W. Crawford and Wilbur Kerstetter, visitors; H. McD. McCue, F. C. Beecher. The latter two were from Ford City.

During the past four seasons this party killed fifteen deer and one bear, a record of which they can be very proud.

THE REGULARS.—Another hunting party that has established a reputation in years gone by are the Regulars, of Potters Mills. The hunting season never goes by without some large game finding its way to their "cooler," and this season three deer stand to their credit. Their camp, at which place they spent ten days, is located on Sand Mountain (east of Foust's place) designated more definitely as the "Stone Spring House." The party consisted of John Wilkinson, Harry Wilkinson, David C. Bohm, S. W. Johnson, J. D. Boal, Mike Coyle, Lloyd Smith, R. W. Colyer, Thomas Decker, W. H. Workinger, J. S. Auman, Jas. S. Reish, Sydney Reish.

Those who had the good fortune to kill the deer were Thomas Decker (one) and Mike Coyle (two). Mr. Coyle is from Rosemont, a suburb of Philadelphia, and is a sportsman who observes the game laws. It was his good luck to kill the two deer in close succession and it was only to avoid a violation of the law that the third deer was allowed to escape.

THE ROD AND GUN CLUB.—John Bitner, Ammon Bub, Joseph Carson, Frank A. Carson, with Homer Breen as cook, went to the mountains Wednesday of last week to kill birds. They are known as the Potters Mills Rod and Gun Club.

According to the best information at hand, up to Wednesday, they had killed some thirty birds.

KILLED 180 POUND BUCK.—A five-pronged buck, weighing one hundred and eighty pounds, was killed Saturday by Emmet Jordan. Others in the party, all from Colyer and vicinity, were: John Weaver, John Zerbe, Jr., Fred Brown, John Wert and J. J. Jordan. The killing was done on Thick Head Mountain. The hunters had gone out for a day's hunt and, of course, needed no camp.

PHILADELPHIANS KILL GAME.—Philadelphia sportsmen come in for a good share of large game taken from the Seven Mountains, a message over the telephone to this office stating that bags contained four deer and one bear, a picture of the game being offered as proof. The Philadelphians who participated in this hunt were John H. Glasgow, a Vine Street hotel proprietor; Thomas F. Farnar a main line mail agent; Frank and Samuel McCoy; Clayton McKinley, and Wm. Sbandemier, of Altoona; Wm. McKinley, Perry Krise, Louis Faust, Warren Slack, of Potters Mills.

REPORT FROM SUGAR VALLEY.—Deer seem plenty on the mountains surrounding Sugar Valley Monday Aaron Kleckner shot a 200 pound buck and Jasper Bower, Charles Omeis, Chester and Edgar Schwenk each killed one, and Tuesday W. G. Berry nipped the life out of a four pronged buck which weighed 161 pounds. Webb Karstetter sent a bullet through a fine bruis, but did not succeed in killing it. Never since the days of the early settlers have deer been so common in the Larry's Creek region as they are this year. The fact that fifteen deer have been killed in the radius of 20 miles has become well known and the region is alive with hunters.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both Home of Swamp-Root, sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.
