Owing to the numerous complaints which are being made to the department that advertising circulars and other mailable matter, postage on which has not been prepaid, are being placed in rural letter boxes intended for persons who receive mail through such boxes, and in order that there may be no misunderstanding regarding the proper disposition of such matter, you are hereby advised that patrons' boxes erected on rural routes, are intended exclusively for the reception of matter regularly in the mails, for delivery or dispatch through the mails, and "mailable" articles which carriers find deposited in such mail boxes on their routes, are properly "in the mails" and subject to all the rules regulating mail matter, including the payment of postage thereon.

You will promptly and fully instruct the rural carriers attached to your office that all mailable matter found in rural letter boxes, without the proper postage affixed or money provided sufficient to purchase same, should be taken to the initial postoffice and held for postage. Removed to the Hayes Hospital.

Andrew R. McNitt, of the lumber firm of McNitt Brothers & Company, who recently sustained a compound fracture of the bones in the left leg between the knee and ankle, is now receiving attention in Dr. R. G. H. Hayes' private hospital, Bellefonte, having been removed to that place from Nittany Thursday of last week.

Locals.

Hay is being shipped from the Centre Hall station at a lively rate.

The Republicans in the borough will hold their caucus Friday evening.

Mr. and Mrs. D. J. Meyer visited their son, Charles H. Meyer and family, in Reedsville, last week.

Luther Kline, of Bellefonte, was a brief caller Friday of last week. He is regularly employed at the Bellefonte furnace.

John Snyder, who lives on the Brass farm, east of Centre Hall, providing he moves to his own property, intends devoting his time to trucking.

Peter Breen and daughter, Miss Ella, of near Millheim, recently paid a visit to the families of Judge Kohler and Foster Stover, of Reedsville.

The wheat plants are protected by the two inches of snow that fell Saturday night. The crop last week when partly exposed to view looked to be in good condition.

George Felding, one of the Reporter's readers at Linden Hall, called around last week and did his part toward making the Reporter machinery run during 1905 without too much friction.

The Reporter added new material for use in the printing of sale bills. The posters printed at this office show the cleanest, latest cut of wood-type, and the two-color bills can't be matched anywhere in the county.

Mrs. Mary Odenkirk and Mrs. Mary Shoop were pleasant callers the other evening. These ladies don't believe in growing old, and consequently aim to recall the pleasant things of life instead of looking for evil omens.

Benjamin Boob, of Penn township, who some time ago was badly injured by the bursting of a fly wheel at the Laurelton lumber company's plant at Laurelton, has been awarded \$2,190.80 damages by a Union county jury.

The Superior Court granted a new trial in the case of R. B. Taylor vs. James McCafferty. This was a case growing out of a contract for the building of a bridge in Spring township. Taylor won the case in the lower court.

DOINGS OF THE COURT.

Prothonotary Klimport and Register Archev took their respective places. Court Stenographer G. S. Burrows arrived from Sunbury at nine o'clock ready for service.

The morning session was taken up in the presentation of motions and petitions by the several members of the bar.

The court made the following appointments:

As soon as the members of the grand jury had taken their places in the room the district attorney elect, William Groh Runkle, laid before them several bills of indictment to be disposed of as soon as possible, so that there would be no delay of the court for cases for trial.

Upon reading over the calendar for the first week of court the following cases were marked continued:

Hayes' private hospital, Bellefonte, having been removed to that place from Nittany Thursday of last week.

Mr. McNitt has been suffering considerable, but with the attention of skilled physicians and care of trained nurses it is hoped to reduce his suffering to the minimum.

Three Boys Killed.

A horrible accident occurred at Tyrone last Thursday evening in which three lives were lost and as many homes saddened. A party of boys were coasting, and as they dashed across the railroad track, ran into a shifting engine and two of the lads, Willard Elder and George Leiper, were killed, and the third, George Thomas, son of the engineer on the shifter, was hurt so badly that he died the next morning. The engineer saw that an accident was imminent and vainly tried to warn the boys. What must have been his horror when he found his own son one of the victims.

Everybody's Magazine.

The desperate increase in the cost of living is staring us in the face to-day. The reasons for it are asked by all. In February Everybody's, Charles E. Russell, commissioned by the magazine to investigate the subject, begins a series of articles on "The Greatest Trust in the World." In the first instalment he reveals a monster monopoly, greater than the "Standard Oil," holding in its grasp all the meat, fruit and dairy products of the United States.

Mr. Lawson's contribution to a "Frenzied Finance" begins with an explanation of his recent move against the "System" in Wall Street. The upbuilding of a "bull" market, the schemes and bribes used to tempt the public into buying securities, and the blow which Mr. Lawson through his widely circulated advertisements delivered at the "System," are explained clearly and in detail.

PREST. DICKINSON COLLEGE DEAD.

Dr. Edward James Gray Passes Away in Baltimore Hospital.

The Rev. Edward James Gray, D. D., President of Williamsport Dickinson Seminary for the past thirty-one years and prominent in the ministry in the Methodist Episcopal church for nearly half a century, died at the Johns Hopkins Hospital, at Baltimore, Friday morning.

Dr. Gray was over seventy years of age, though he had always appeared much younger. He was born and reared near Stormstown, and as a young man went to Williamsport Dickinson Seminary to complete his education. There he met Eva Emery, then a student at the seminary, and in later years they returned to its halls as man and wife, and for more than thirty years have presided over its destinies.

Funeral services were held Monday, interment being made in Williamsport.

Dr. Gray leaves a widow and two sons, William E. and Edward J.; a brother, J. G. Gray, residing at Stormstown, and a sister, Mrs. Sarah B. Wilson, of Williamsport.

LOCALS.

The two inches of snow that fell Saturday night patched up sledding.

Harry Harper is employed at Burnham at present. He is a mechanical genius and will find the Burnham shops suited to his tastes.

Editor Thompson, of the Tyrone Times, has received the appointment of transcribing clerk of the state senate. He'd better keep shy of Penny.

The court proceedings appear in this issue as reported by W. Harrison Walker, Esq., who makes an effort and succeeds in giving a full and accurate report of the court's work.

[The rate for announcements under this head for township offices is one dollar, in advance.]

I kindly ask the support of the Democratic voters in Potter township, at the approaching caucus, for the office of Constable. If nominated, I will use every honorable means to secure my election, and promise the best services possible, very truly,

JAMES HORNBER.
