Feed your hair; nourish it; give it something to live on. Then it will stop falling, and will grow long and heavy. Ayer's Hair Vigor is the only hair food you can buy. For 60 years it has been doing just what we claim it will do. It will not disappoint you.

My hair used to be very short. But after using Ayer's Hair Vigor a short time it began to grow and now it is fourteen inches long. This seems a splendid result to me after being so long without any hair.
