A Great Scheme Whereby Every Correct Answer Will Win a Reward.

The greatest prize scheme for puzzle solvers ever offered by a newspaper is that inaugurated recently by the Sunday North American, of Philadelphia. For a long time that paper has been presenting, each week, a puzzle for young folks and has been offering a long list of prizes. But the answers grew to be so numerous that many er an illness of some length, which at boys and girls were, of necessity, disappointed. It was not possible to make a list of prizes to keep up with the increase of correct answers.

> Something new had to be invented. Now, did you ever hear of a Puzzle Contest in which nobody is dis-

appointed? Then it must be Polly Evans' new only one anywhere in which nobody | and pigs. is disappointed.

Think of it-nobody disappointed ! If you answer a puzzle incorrectly, you do not look for any reward, of course ; but if you answer it correctly, it is but natural that you should expect to be rewarded, and that you should feel disappointed if you find you are not rawarded.

That is what Polly Evans always trying to devise some plan of prizegiving that would mean no disappointed boys and girls.

At last-just a few weeks ago-an ides occurred to her ! The North For, thanks to her new system of prize credits, Polly Evans is now able it their most hearty support in a to reward every boy and every girl who answers her puzzles correctly.
