LIVERYMAN DUPED.

A Stranger Traded Horses for Him to a Supposed Centre County Man.

D. W. Cutchall, the liveryman at Petersburg, has in his possession an old and almost worthless horse instead of a good one he hired to a stranger a few days ago.

Saturday morning, 10th instant, a stranger came to Petersburg and hired a buggy and two horses, stating that he wished to drive to Alexandria and thence to Huntingdon. He did not return that night, and in fact, not at all. The first intimation that Mr. Cutchall had of the missing team was a telegram from Birmingham the Sunday forenoon following, from the railroad agent at that place stating that an anonymous note had been shoved under the station door to the effect that Mr. Cutchall's team had been tied at a certain place on the streets of Birmingham.

On arriving at that place Mr. Cutchall found that an old, jaded horse had been substituted for one of his good horses. Rumor has it that the strange man traded horses with a man from Centre county, receiving the old horse and \$35 in money.

Frank Linsky is supposed to be the name of the man who hired the team and he was but a few months out of jail for breaking into freight cars at Altoona about three years ago.

He is a Democrat in principle, and since he has reached voting age, has missed the general election but twice, and each vote was cast in the same township. Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail. Home of Swamp-Root, Vee, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs, of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by C. W. Swartz, Tusseyville; F. A. Carson, Potters Mills.
