Bought Fire Clay Lands.

From the Daily News it is learned that J. C. Meyer, Esq., and Recorder John C. Rowe have purchased in Clearfield county one of the finest tracts of fire clay land in the state. There are 1150 acres in the tract, and it is located along the Buffalo, Rochester & Pittsburg Railroad. They expect to develop it and have found that it is heavily underlaid with a high grade of block and also soft fire clay. The report of an expert says that from ten to twenty millions of tons of fine clay can be gotten out at an expense of fifty cents per ton. This clay sells for \$1.75 to \$2.00 per ton, just to ship it, without manufacturing it into brick. The analysis was made at State College, and shows the clay to be very high in silica and aluminum and very low in oxide of iron.

Letter to D. F. Luse & Co.

Centre Hall, Pa.

Dear Sirs: Mr. —, president of a cotton-mill at Union, S. C.,—he don't want to see his name in print—had two offers of 500 gallons of paint: \$1.30 and \$1.25. Took the \$1.25; and got skinned. He'd have got three-quarters skinned if he'd taken the other.

The \$1.30 was full-gallon; the \$1.25 was 18 per cent. short. The full-measure paint was adulterated 40 per cent.; the short-measure paint was adulterated 45 per cent., besides benzine in the oil, don't know how much.

Devos lead-and-zinc wasn't sold in the town then.

It don't pay to monkey with paint. Devos costs less than any of 'em; not by the gallon, of course; by the house and year. That's how to reckon it. Go by the name.

Yours truly F. W. DEVOS & Co., New York.

Mrs. Sarah Derstine, an elderly lady of this place, Sunday afternoon fell down several steps while descending the cellar way, and was seriously injured. Has a man a right to spit? asks an exchange, and then it proceeds to answer the question thusly: "You bet he has, and a right to breathe, a right to live, and a right to express his opinion; a right to kick and a right to work, also a right to vote and pay taxes, and to find fault with everybody and everything he don't like. Man has a whole lot of rights, but he should exercise them all like a gentleman."

Mary had a little lamb; that time has passed away. No lamb could follow up the gait that Mary goes today. For now she rides on airshod wheels in skirts too short by half; no lambkin shares her airy flight, but you can see her calf. But is there one who can complain or cry in woe, "Alas!" so long as Mary's calf's all right the lamb can go to grass. So all the men delight to gaze, their joy is not a sham, for while the other critter's out they have no use for lamb.

The only speakers from outside the county were Rev. E. L. Kennedy, of Everett, and Rev. Luther De Yoe, of Philadelphia, both of whom made excellent addresses on Thursday evening, the culminating session of the convention. THE BEST SHOES

Free SHOES Free

A Chance to Get Your Winter Shoes For Nothing.

This beyond question is the greatest chance ever offered by any Shoe House in the State. It is simply this: On a certain day during the month of September every purchase made at our Store—no matter how large or how small it may be—will be free. What day is it, nobody knows.

The way it is done is very simple. Twenty-five envelopes each containing a number that corresponds with the week days of the month of September (Sundays and Labor Day omitted) were put into a hat and well shaken. Mr. John Shugart, cashier of the Centre County Bank, Bellefonte, selected one of the envelopes and has placed the same in the vault at the bank. Mr. Shugart does not know what number it contains, we don't, you don't. On the 1st of October the envelope is opened and every person who has purchased Shoes on the day corresponding to the number contained in the envelope will have the amount of money they spent at our Store that day returned to them. We keep a record of each purchase made. Now let us see how lucky you are. If you need Shoes you cannot afford to miss this offer.
