THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler, of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Calhoun county, Alabama. He says: "While there I ate some fresh meat and some soured meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale by C. W. Swartz, Tusseyville; F. A. Carson, Potters Mills.

Letter to W. F. Bradford, Centre Hall, Pa.

Dear Sir: You are interested in the prosperity of your town. You can contribute to it materially, and give it a far more prosperous look at the same time.

Perhaps the public property needs a good coat of paint.

Devoe will supply that coat with two-thirds of the number of gallons required of any other. Devoe will last twice as long as any other. Devoe is all paint and full-measure. Devoe is the strongest paint known. Devoe will take care of the property, in the long run, for half the money required by any other.

The reason is stated above: Devoe is all paint and full-measure: the strongest paint known.

E. D. Jewell, Corry, Pa., painted his house five years ago with a mixed paint; took fourteen gallons. Last spring he repainted it with Devoe; bought fourteen gallons and had four gallons left. Saved \$15 to \$20, for painting costs two or three times as much as the paint.

Yours truly
F. W. DEVOE & Co.,
New York.
