Going to New York.

On business and pleasure bent, Merchant George O. Benner, accompanied by his wife, started for New York, Tuesday morning. While buying goods for the Star Store is the chief object, an effort will be made to get as much pleasure out of the trip as possible. They will be absent for about one week.

Real Estate for Sale.

Elsewhere in this issue will be found the advertisements of real estate to be offered at public sale, October 27th and 28th. The first sale will be that of the Spicher farm, west of Centre Hall, containing two hundred and fifteen acres, all clear but six. The second sale will be the real estate of the late Rebecca Sparr, consisting of two farms, several dwellings, etc.

The Real Reason.

Mr. McCall says that he thanks God that by contributing to the Republican party he helped to save the country from Free Silver. If the testimony proves anything it proves that the insurance magnates were more afraid of criminal prosecution than they were of Free Silver. They knew they were guilty of fraud, bribery of Legislatures, corruption of politics and misuse of trust funds and they felt safer under a Republican administration.

Keith's Theatre.

The bill at Keith's Chestnut Street Theatre, Philadelphia, for this week includes the following: A. O. Duncan, ventriloquist; J. Francis Dooley, Brenner and Rose; Jules and Elia Garrison, in "An Ancient Roman"; James Thornton, monologist; Cley Loftus, the great imitator; Salerno, the great juggler king; Berzaco's circus, uproarious fun; also, Smirl & Kessler, Kilmer & Daily, and Helen Reimer, The Holdsworths, and others.

Automatic Telephone Exchange.

The Pennsylvania Telephone company has established an automatic exchange in Montgomery. The new exchange starts operations with twenty-five subscribers. With the installation of its telephones at Montgomery, the Bell company is giving the first trial to the automatic exchange in this section, thus doing away with all operators. Each subscriber is furnished with an exchange board of his own.

Letter to A. W. Alexander,
Centre Hall, Pa.

Dear Sir: Pay more for Devoe; be glad to. It is full-measure and honest. Paint is a watch-dog. How would you like a watch-dog that wouldn't watch from two to five o'clock in the morning? That's short-measure.
How would you like a watch-dog that had a way of wagging his tail at a burglar. That's false paint. The burglar is rain and snow.
Go by the name: Devoe lead-and-zinc.

Yours truly
F. W. DEVOE & Co.,
New York.

Fulcaster Wheat Leads.

The Agricultural Department at Pennsylvania State College, on testing various varieties of wheat for sixteen years, finds that Fulcaster wheat leads all others tested likewise. The average yield for the sixteen years was a trifle over 29 1/2 bushels to the acre. Other varieties follow in the order of their importance as to yields: Reliable, Deitz Longberry Red, Ontario Wonder, Dawson's Golden Chaff, Forty Gold or Gold Coin, Royal Red Clawson, Fultz, Rochester Red, Harvest King. The yields range between the figures given for Fulcaster and 24 1/2 bushels.
The experience of farmers and that of the test noted above is at variance. It is generally conceded that Fultz wheat, in a series of years, yields the best.

Considerable clover seed is being hulled in Penns Valley. While the crop does not turn out many bushels to the acre, the high price the seed will likely reach before sowing time next spring, will in a measure help to make the crop a valuable one.
Rev. W. A. McClellan, of Pleasant Unity, was in Penns Valley for a short time recently, visiting his mother, Mrs. Joseph McClellan, at Tusseyville, and other relatives and friends. Rev. Some Reasonable Advice.
It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by C. W. Swartz, Tusseyville; F. A. Carson, Potters Mills.
