Letter to John Maris Centre Hall, Pa.

Dear Sir: Devos is worth \$4 or \$5 a gallon, put-on; how much is another paint worth? Depends on how many gallons you've got to put-on, to be equal to one of Devos.

Mr. J. J. Hall, Sheffield, Pa., painted two houses exactly alike; painted one with Devos; took 6 gallons. The other with some other; took 12 gallons.

What'd you give for those off paints? Bear in mind, you've got to pay for the painting.

Yours truly F. W. Devos & Co., New York.
