The sympathy of the entire community is extended to the family of W. A. Murray in their bereavement. A large number of persons were in attendance at the funeral. All the public schools in the township were closed, both teachers and scholars being in attendance, thereby showing their respect for one who had during the past years been one of their number. Rev. W. K. Harnish, the young lady's pastor, chose for his text words spoken by the prophet Isaiah, "The flower faded, because the spirit of the Lord bloweth over it." Rev. D. P. Save Labor

You can handle your milk and cream with much less labor if you own and use the National Cream Separator. It runs lighter and handles more milk in a given time than other separators. Then the "cleaning up" is done in about half the time. These are important matters. Besides you get all the cream, and it brings a higher price—two more ways of making money. Come in and see the National or write for Catalog.
