Nine Inches of Snow

Fully nine inches of snow fell Sunday night. That was the greatest depth of snow fall during the entire winter. Some few took advantage of the sledding, but the character of the snow was unsuited for that purpose.

Trolley from Altoona to Bedford

The contract for the construction of the electric railway between Altoona and Bedford will be let within the next thirty days, it is said. Improvement bonds to the amount of \$1,200,000 have been issued, and the mortgage delivered to the Standard Trust Company, of New York. The line will be forty miles long, and will connect a dozen towns.

Fingers Cut Off

Another saw mill workman had two of his fingers severed by coming in contact with a saw. This time it was Henry Knoffsinger, of Pleasant Gap, the accident happening at the mill of his grandfather, William Knoffsinger. The unfortunate man was adjusting the machinery, when a piece of iron struck the saw, which was indirectly responsible. The first finger of the left hand was cut off entirely, and the second finger was badly lacerated and the bone split. Dr. Lee dressed the wound.

The defeat in the Senate of the House Statehood bill joining Arizona and New Mexico in a single State created much joy in Arizona. The news was celebrated by the blowing of whistles, volleys of firearms, bonfires and processions. It is a defeat for the President, but is a victory of right. The whole country approves.

The profession that is most overcrowded is that of officeholder.

DEATHS

H. M. JAMISON.

Tuesday, March 6th, the angel of death entered the home of H. M. Jamison, at Shelby, Ohio, and removed from the family circle a kind and affectionate husband and father. The Masonic Lodge of Shelby took charge of the body and prepared it for shipment to the home of his parents, Mr. and Mrs. T. B. Jamison, at Spring Mills, where it arrived Friday afternoon. Saturday forenoon the remains were interred in the Presbyterian cemetery at that place. The services were conducted by Dr. W. H. Schuyler and Dr. D. M. Wolf. A large choir sang several beautiful selections.

Harry Jamison, as he was familiarly known, was born at Spring Mills, March 12, 1872, and died March 6, 1906, making his age about thirty-four years. He was educated in the Gregg Township High School, and taught in Pennsylvania and afterward in Kansas. He is survived by his wife and daughter, his parents and a brother, Edward, at Spring Mills; three sisters: Mrs. Hockman, of Philadelphia; Mrs. Martin, of Martinsburg; Mrs. Miller, of Tyrone; a half-sister, Mrs. Swires, of Milesburg, and a half-brother, a banker in the west.

The pall bearers were C. W. Boozer, H. F. Rossman, A. N. Finkle, Dr. H. S. Braucht, C. P. Long, members of Old Fort Lodge of Masons, and W. L. Campbell, of Lodge No. 232, at Jersey Shore.

From the Daily Globe, of Shelby, it is learned that Mr. Jamison came to Shelby in 1899, and for three years conducted a collecting agency. He was married June 6, 1900, to Miss Bertha Lamoreux, of Milan, O. Selling out his business he moved to Monroeville, where he conducted a shoe store, which later he sold and went to Bowling Green, where he again engaged in the collecting business for a short time, after which he returned to Shelby. One year ago to the day of his death he formed a partnership with C. E. Morris. The 15th of last November he was taken ill and gradually grew worse until death relieved him of his sufferings.

On the morning of the day of his death he was told that he could not live longer than four o'clock, and when the clock struck three he held up three fingers to his wife and then one, indicating that he had only one more hour to live. Shortly thereafter he passed quietly away.

He was a member of the Masonic Lodge at Monroeville; a member of Shelby Chapter, No. 178, Royal Arch Masons, and of Man-of-Iron Commandery, Knights Templar.

WILLIAM D. HOUSER.

William D. Houser died at his home in Bellefonte of dropsy, a hemorrhage causing his death, which followed an attack of typhoid fever. He was a son of Daniel and Eva Houser and was born in Houserville, fifty-seven years ago. He was united in marriage with Amanda C. Grove, of Lemont, who with the following children survive: Harry, Colons; Mrs. John Lambert, Bellefonte; Mrs. Jacob D. Valentine, Allegheny; Mrs. John Guisewhite, Bellefonte; Blanche, William and Edward, at home. He is also survived by the following sisters and brothers: Mrs. George Cronmiller, Pine Grove Mills; John Houser, State College; Reuben, Pleasant Gap; James and Harvey, Spring Mills; Scott, DuBois; Abram, West Virginia, and a step-mother, Mrs. Lavina Houser, of Centre Furnace. Interment was made in Shiloh cemetery.

MRS. NOAH ROCKEY.

Mrs. Noah M. Rockey died at her home, at Filmore, of pneumonia, aged seventy-two years. She is survived by her husband and seven children, as follows: John, Filmore; George, in North Dakota; Mrs. John D. Decker, Potters Mills; Mrs. G. B. Zettle, Mason, Tenn.; Mrs. W. H. Corman, Cresson; Mrs. Elmer Limpert, Millheim, and Mrs. Sadie Metchley, at home.

A. A. KOHLBECKER.

Coal Prospects in Mills.

Coal was encountered recently in the new drift being run from the surface of their property by the Rocky Ridge Coal and Mineral Company at Jacobs. The vein makes a better showing than in the first drift, from which the present mining operations are being carried on and discloses six to eight feet of fine semi-bituminous coal as fine in appearance as anthracite. It was reached about seventy feet from the portal of the drift which was driven toward the basin. The new opening will enable the company to greatly increase their output.

Letter to A. P. Luse & Son.

Dear Sir: Lets have a little private talk by ourselves on business; nobody else, please, read.

You want to know how to do a cheap job of painting, and have it look good. Here it is: The cheapest thing there is in a good-looking job—say nothing about its being good—is Devco; the regular thing is Devco.

The reason is: Devco goes further than anything else. Lead-and-oil is good-looking; don't go so far and costs more. The other paints are more or less short in one way or another; don't go so far and costs more than Devco.

Devco costs least of all; you don't mind its lasting longer, do you? We can't help it; a paint that goes further lasts longer; we can't help it.

Yours truly, F. W. DEVCO & Co., New York.

Kremer & Son sell our paint.

A Chicago Alderman Oves His Election to Chamberlain's Cough Remedy.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 So. Peoria St., Chicago. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by C. W. Swartz, Tusseyville; F. A. Carson, Potters Mills.

To a Smart Property Owner.

Painting is practical work. Skill wins. It's the same with paint making. You know 4 gallons L. & M. mixed with 3 gallons Linseed Oil makes enough paint for a moderate sized house—the best paint money can buy—because the L. & M. Zinc hardens the L. & M. White Lead and makes the L. & M. Paint wear like iron.

Buy L. & M. and don't pay \$1.50 a gallon for Linseed Oil, as you do in ready-for-use paint, but buy oil fresh from the barrel at 60 cents, and mix with the L. & M.

Actual cost L. & M. about \$1.20 per gallon.

Sold by Rearick Bros., Centre Hall.

There is no use of anyone suffering from that painful ailment when this liniment can be obtained for a small sum. One application gives prompt relief and its continued use for a short time will produce a permanent cure. For sale by C. W. Swartz, Tusseyville; F. A. Carson, Potters Mills.
