"Yes, father." After a moment's reflection the famous historian said slowly, "Well, my son, that is just about the distinction

I should make."-Boston Record.

Face Screen For Lepers. In the leper colony of Audijan, Turkestan, there are a number of women who have become professional beggars. The sad creatures on whom the frightful disease has made visible marks use large fans made of leaves to shield their faces when they present their palms for coppers. The oddly shaped screens are large enough to entirely conceal the head, and if the hands, too, have begun to show signs of the disease pieces of linen are sometimes

wound over them.

Charity Begins at Home. The absentininded Professor Lumplin is always so shabbily dressed and presents altogether such a broken down appearance that the other day give himself an alms,-Lustige Blatter.

Posted. Mistress (trying on one of her new gowns)-Norah, how does this dress very well, ma'am. I found it a little tight under the arrums. - London An-

The First Oyster Eater. The gluttonous Vitellius is reported ministration of antitoxin in both cura to have eaten 1,000 oysters at a sitting. tive and immunizing doses that have "He was a very valiant man who first ventured on eating of oysters" King

Shed Your Cares. Form a habit of throwing off before going to bed at night all the cares and anxieties of the day-everything which can possibly cause mental wear and tear or deprive you of rest.

It requires much less philosophy to with them as they go.-Chicago News.

ADAPTABILITY.

Adaptability's sails are set to catch

Adaptability is the ability to adapt | yourself quickly to unexpected condi-

ability When one plan fails the man with

adaptation has forty-nine untried others waiting. Adaptability is always ready, is nev-

er taken at a short, is the great lightning change artist and often turns hopelessness into victory. office or a financier handling large en-

terprises without the ability to readily can make no mistake by taking Dr. Kilmer's adapt himself to suddenly changed conditions is a misfit.—From Cent Per Cent.

The Shamrock.

In Ireland only one shaunrock is clover which trails along the ground among the grass in meadows. The tre-fold leaves are not more than one-derful cures of the most distressing cases. fourth the size of the smallest clover by all druggists in fifty-cent and one-dollar usually seen in America and are pure sized bottles. You may brown shading of white and pink clo-vers. The creeping stem is hard and covery and a book that fibrous and difficult to dislodge from tells all about it, both Home of Swampthe earth. On St. Patrick's day the sent free by mail. Address Dr. Kilmer & Co. true shamrock has to be searched out among the grass, for, though comparatively plentiful at that season, it grows close to the ground. Later it bears a tiny "white crown" blossom. The information that shamrakh is the Arabic word for trefold may be of service to those interested in the origin of the Irish race.

Varied Commencement Addresses. An anxious inquirer was discussing with Bishop Prendergast the complex nature of some of his episcopal duties. "I should think you would find giving addresses at commencements particularly trying," said the inquirer questioningly. "I do," sighed the bishop. "How can you manage to find anything original to say year after year?" probed the inquirer, determined to get at the root of the matter. "Oh, I don't," said the bishop, his face lighting up and expanding into a whimsical smile "I don't say anything original. Each time I simply use different adjectives." -Philadelphia Record.

Playing Her Cards, Tommy-May I stay up a little longer? Ethel-What do you want to stay

up for? Tommy-I want to see you and Mr. Green playing cards. Mr. Green-But we are not going to play cards. Tommy—Oh, yes, you are, for I heard mamma saying to Ethel that everything depended on the way in which she played her cards tonight. which she played her cards tonight.

His Past and His Present. "What do you know about his past?" asked Mabel.

"Just enough to make me a little suspicious about his present," said Maud, examining with a magnifying take things as they come than to part | glass the diamond ring the young man had sent her.

## The Cause of Many

Sudden Deaths. There is a disease prevailing in this country most dangerous because so decepdeaths are caused by Tit - heart disease, pneumonia, failure or apoplexy rare often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the wen vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is A general in battle, a statesman in obtained quickest by a proper treatment of Swamp-Root, the great kidney, liver and

bladder remedy.
It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many known. It is an indigenous species of times during the night. The mild and the extraordinary effect of Swamp-Root is soon

> Swamp-Root is pleasant to take and sold Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but r
