GRAND OPERA HOUSE.

G. A. Wegert, Manager, Philadelphia, Pa.

Thompson & Dundy's "A Yankee Circus on Mars," the immense production from the New York Hippodrome, which began the second week of its engagement at the Grand Opera House on Monday, April 9, has taken Philadelphia by storm.

According to the New York World "It is the show that makes all the other shows look like a sideshow."

This is a fair summing up of "A Yankee Circus on Mars," for, as at present produced on the stage of the Grand Opera House, it is the biggest show playing in any theater in the universe, with the single exception of its successor, which is being presented at the New York Hippodrome.

Adolph, the clown, has repeated in Philadelphia the big hit scored by Marceline, his rival in New York, and his antics raise cries of delight from the thousands of the youngsters who are attending the daily matinee at the Grand Opera House.

Claire Heliot and her twelve lions have made a sensation, and the other circus and specialty acts are a revelation.

Seriously Injured.

Allen Alexander, of Millheim, was seriously injured Friday forenoon, and at one time it was thought the wounds would prove fatal, but from present indications the unfortunate man is on a fair way to recovery.

The accident happened while Mr. Alexander was hauling poles for fire wood. On reaching the residence of Mr. Albright, and while making preparations to unload the heavy poles, the load split, speaking in the parlance of lumbermen, and fell on the teamster. He was taken to his home in an unconscious condition, and on examination it was found that the most serious injuries were about his head.

Letter to J. A. Reesman, Centre Hall, Pa.

Dear Sir: Shuffert Hardware Co., Hickory, N. C., bought a car-load of paint; after selling it a few months, found out it measured seven pints a "gallon."

Returned it to the maker and credited customers with what they had lost from short measure.

What do you think of a short-measure paint? Don't you think it half a white-wash? Half the paints are part white-wash.

Go by the name: Devoe lead-and-zinc. No whitening or clay in that; full-measure besides. A gallon Devoe is worth two of white-wash paint.

Yours truly, F. W. DEVOE & Co., New York. Kremer & Son sell our paint.
