If judged by the thousands of people who are being daily swindled by the numerous get rich quick schemes that infest the country, the American people are becoming particularly easy. Almost every community seems to be a fruitful field for the swindler's operations, and the poor dupes almost tumble over each other in their effort to get something for nothing or fabulous returns for a small outlay, which anyone of average intelligence ought to know was a swindle without being apprised of the fact. Aside from this the press of the country is continually warning the people of the dangerous character of those swindling operations and publishing reports of the thousands of people who have learned by dear experience of the fraudulent nature of so many concerns in which they have trusted their all. It serves them right, it might be contended, were it not for the fact that the victims in many cases are poor people who can ill afford to lose their daily earnings in this manner.

Thousands Have Kidney Trouble and Don't Know it.

How to Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.
You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail.
Address Dr. Kilmer & Sons of Swamp-Root Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.
Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
