SAMUEL SWEITZER DEAD.

Was a Member of the Coast Artillery, Also Served in the Philippines With the 47th

Regiment Saturday the sad news reached Bellefonte of the death of Samuel Sweitzer, a son of Abram Sweitzer, of Coleville. His death occurred Friday night in Boston during a mysterious quarrel. Mr. Sweitzer was a member of the Coast Artillery and earlier in his career served through the Spanish American war with Company B, 5th Pennsylvania Volunteers. He also served in the Philipines with Lieutenant George L. Jackson and the other Bellefonte boys in the 47th Regiment. He was about thirty years of age and the remains were taken to Bellefonte for burial.

Sunday's Philadelphia Record contains the following account of his death:

Developments in the mysterious quarrel at a South Boston house, which terminated in the death of Sergeant Samuel Sweitzer, of the coast artillery, and in the possibly fatal injuries of two other persons, Dennis McSweeney and his daughter, Mrs. Elizabeth Bloom, led the police believe that the artilleryman attacked McSweeney and his daughter and then committed stricide.

The soldier was found dead, stabbed with a knife, when the police burst into the McSweeney home. Mc-Sweeney was unconscious on the floor, his jaw broken and his skull fractured. Mrs. Bloom's condition was found to demand her removal to a hospital.

Mrs. Bloom stated that she was hurt by Sweitzer while defending her father, who is sixty years old, from \$6,000. the soldier, the latter having attacked McSweeney with a piece of wood.

Medical Examiner McDonald declares that on Sweitzer's clothing was found a note signed by the artilleryman, which declared that the "person upon whom this note is found will be the culprit and the reason for the crime will remain a secret. "

Cash and the Polite Reminder.

Two weeks ago, cards were printed to be mailed subscribers to The Centre Reporter calling attention to the labels indicating their standing with reference to subscription due or about to be due. The dollars have been coming in so fast of late that the editor did not have the hardihood to send out even these most polite reminders. It may be necessary, however, to mail them later, and should they be put into circulation, it is urged that prompt response be made. Remember, while your subscription is only one dollar, it is the dollar needed to successfully publish the Reporter, and buy clothhear others speak of. How about it ?

About Rural Mail Boxes. Although the order has not reached county. the local postmasters, it appears an order has been issued whereby patrons on the rural mail routes, after August 1st, may construct their own mail boxes, provided they conform to the requirements of the department as to size, durability and safety.

There has been considerable complaint made by those served on the rural routes because they were obliged to purchase particular mail boxes from private concerns. Congressman D. F. Lafean was induced to take up the spent a few days with friends at matter for his constituents, with the Coburn. result mentioned above.
