Miss Romie Van Pelt returned from a two hours' hunt Monday afternoon with a gray squirrel as a reward. Her hunting companion, Prof. J. D. P. Smithgall, in the same time captured two grays.

And now an auto will be more frequently seen in Centre Hall since J. W. Mowery permanently located near town. He has one of the largest and handsomest machines that goes down the pike.

Edward Innes, of Canton, a student at Bucknell University, was in Centre Hall Friday and Saturday. He and Prof. J. D. P. Smithgall, whose guest he was, are members of the "S. A. E." fraternity.

A young man named Harry Thompson was arrested Sunday night on the charge of being implicated in robbing Joseph's store in September. Among the property stolen was a watch which he sold to a party in Lock Haven.

Wilbur Hummel, while hunting in the woods near Huntingdon with Doris Figart, was accidentally shot by the latter who mistook his movements through the bushes for a squirrel. A dozen or more shot penetrated the upper extremities but it is thought the victim is not fatally hurt. Both lads are between 15 and 16 years old.

While hunting wild turkeys on Nittany Mountain in the vicinity of "Big Rock," Monday, George Glace and Frank Yearick saw a large bear. Before they could get close enough to make a shot gun effective, brain ran into a thicket and disappeared. Tuesday a number of hunters and dogs swept over that section of the mountain, but failed to discover the whereabouts of gamy bruin.

The Evangelical parsonage at Loganton was ablaze one day last week, and it required great effort to extinguish the flames. Mice are supposed to have dragged matches between the ceiling and floor and ignited them. The fire originated some distance from where the pipe passes through the floor. The pastors wife, Mrs. H. L. Eby, lay sick of typhoid fever at the time of the fire, but she never discovered that the house and furniture had been damaged to the extent of about \$500. The property was insured.

THE FAIR.

Cold Weather Greatly Interfered in the Attendance.

In giving an account of the Great Centre County Fair the Watchman says in part:

Had the weather man purposely designed the weather for this week as the one kind to interfere with the attendance at the county fair he could not have made it much worse. With rain on Tuesday, rain, sleet and snow on Wednesday, and quite cold on Thursday, it was not very enticing for any only those who were willing to brave all phases of the elements in order to see the fair. And of these were a goodly number. Considering the bad weather the attendance on Wednesday was fair while Thursday's crowd numbered about five thousand people.

On account of the rain on Tuesday many exhibits that would have been brought in were kept at home, but not withstanding this fact the exhibition building is filled from one end to the other while the fruit exhibit fills one large tent. The Pennsylvania State College has its usual high class exhibit which this year is superior to any ever shown. The poultry exhibit is not so large as in former years but then it is composed entirely of Centre county fowls. There is also a good exhibition of stock—horses, cattle, sheep and hogs.

The free show feature on the platform at the judges stand is vastly larger and more varied this year than ever before and is in itself worth the price of admission to the fair.

Wednesday morning there was a ball game between the Pine Grove Mills and Baileyville teams for the championship of Ferguson township, the latter winning by the score of 11 to 2. Thursday's game between Snow Shoe and Hecla Park was won by the former by the score of 9 to 2.

Of course the racing is the big feature but on Wednesday the track was so heavy that very slow time was made. This was especially the case in the 2.15 event, when the fastest time made was 2.25. After coming in fourth in the first heat Irvin Gray's Sallie Derby won the race by taking the three next heats. The 2.25 race was the most exciting of the two, as the four horses driven were pretty closely matched for speed.

Photogravures of the Candidates. Two handsome portraits, genuine photogravures, such as sell in art stores at \$2 each, the subjects being Edwin S. Stuart and Lewis Emery Jr., candidates for the Governorship of Pennsylvania, will be issued as art supplements in the Sunday North American for October 21 and October 28.

The Stuart picture will be issued on October 21 and that of Mr. Emery on the following Sunday.

The editor of this paper has received advanced copies of the two portraits, and pronounces them works of art of the highest class. Nothing so good has ever been issued as a special supplement.

As the editions of the Sunday North American for these two dates will be limited and the demand unusually large, it will be necessary to order this paper in advance to insure delivery.

The Boy Killing Yet a Mystery. So far as is known to the public the killing of Clyde Auman, a twelve year old boy, of Coburn, remains a mystery. By actual measurement it has developed that the lad was perched sixty feet high on a chestnut tree when shot.

To a Smart Property-Owner.

Painting is practical work. Skill wins. It's the same with paint making. You know 4 gallons L. & M. mixed with 3 gallons Linseed Oil makes enough paint for a moderate sized house—the best paint money can buy—because the L. & M. Zinc hardens the L. & M. White Lead and makes the L. & M. Paint wear like iron. Buy L. & M. and don't pay \$1.50 a gallon for Linseed Oil, as you do in ready-for-use paint, but buy oil fresh from the barrel at 60 cents, and mix with the L. & M. Actual cost L. & M. about \$1.20 per gallon.

Quincy, Sprains and Swellings Cured.

"In November, 1901, I caught cold and had the quincy. My throat was swollen so I could hardly breathe. I applied Chamberlain's Pain Balm and it gave me relief in a short time. In two days I was all right," says Mrs. L. Cousins, Otterburn, Mich. Chamberlain's Pain Balm is a liniment and is especially valuable for sprains and swellings. For sale by The Star Store, Centre Hall; F. A. Carson, Potters Mills; C. W. Swartz, Tusseyville.

A SAD ACCIDENT.

James Gallagher, of Howard, Killed by Bellefonte Central Train.

Friday evening about eight o'clock a very sad accident occurred at the Pennsylvania station which resulted in the death of a young man named James Gallagher, of Howard. The unfortunate man had been attending the Centre County Fair and it was his intention to take the 8:16 train for Howard. It was about eight o'clock when the Bellefonte Central train from State College pulled into the station, and it is supposed that Gallagher thought the Bellefonte Central was the train he wanted to take. It is presumed that in attempting to get on board he slipped and was thrown under the car wheels, the engine and two cars passing over the prostrate body. The train crew felt the jar when the cars passed over the body of Gallagher, and going back along the track found the mangled body lying between the station platform curb and the rails, just a short distance south of the baggage room.

He was at once taken to the Bellefonte Hospital but an examination showed that he was beyond human aid. He died at 1:10 o'clock Saturday morning, having never regained consciousness.

James Gallagher was twenty-two years of age and was employed in the noodle factory at Howard.

How to Cure a Cold.

The question of how to cure a cold without unnecessary loss of time is one in which we are all more or less interested, for the quicker a cold is gotten rid of the less the danger of pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va., has used Chamberlain's Cough Remedy for years and says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds.
